PRE-EMPLOYMENT DRUG SCREENING

QUEST DIAGNOSTICS

Once you have completed your clearances, you will receive an email from noreply@questdiagnostics.com to schedule your pre-employment drug screening at Quest Diagnostics.

To find a collection site location and to make an appointment, please refer to the confirmation email under the “Collection Site” information.

Please bring this confirmation and your driver's license or other government issued photo ID to the collection site for identification.

You can print your QPassport to take with you to the collection site or you can eliminate the printed form by using your mobile device to display the QPassport barcode at the collection site.
