

## **VISITORS TO SCHOOLS**

No person may trespass or loiter in any school building or on any school grounds.

All visitors will, upon entering a school building, report immediately to the main office for permission to visit and to obtain a visitors' badge.

School and Classroom visits should be used to enhance, not disrupt or interfere with the instructional program. All visits and visitors will be subject to the authority of the building Principal, or their designees, who may restrict or limit visits, or visitors as they consider necessary.
