New York State Public High School Athletic Association

May 22, 2018

Dear Athletic Director,

The New York State Public High School Athletic Association's Scholar-Athlete Team Award Program has been created to recognize outstanding scholastic achievement by varsity level student athletes. We are pleased to declare your school a recipient of this award for the Spring 2018 sports season. With the changes to the program, we are also very excited to be able to award the individuals whose team did not qualify for the team award. Enclosed are the certificates and pins for the teams, as well as the pins for the individuals who qualified.

Pupil Benefits Plan, Inc., our sponsor, joins the NYSPHSAA in recognizing the academic performances you have reported to us.

Congratulations! We look forward to your continued participation in our program. Best wishes for athletic and academic success for the remainder of the 2017-2018 school year.

Sincerely,

Robert Zayas
