**The New York State Public High School Athletic Association may change the football season start date to Wednesday, August 21st. If the date does change, the team will begin on the new date.*

Registration for all athletic teams must be completed via Arbiter Sports (FamilyID). Parents who are registering for the first time must create a user name and password before registering their athlete. Registration for all sport seasons open 30 days prior to the season start date and closes 1 week prior to the first day. Please note, the high school fall athletic season begins prior to the academic year.

All students must be present for tryouts. For a list of sport offerings, please visit the Roslyn High School athletic website.
