General Information

Breakfast/Lunch Program

Free breakfast and lunch is available to all students. No application is required.

Closed Campus & Early Departures

Marshall Fundamental Secondary School is a closed campus. Once a student arrives on campus, they must remain on campus. Students may not leave campus at lunch. When students must leave campus for any reason, they must obtain an off-campus pass from the Attendance Office. Students with minimum-day schedules must have a minimum-day pass. Students with a minimum-day pass or an off-campus pass must leave campus immediately at the end of their school day and must exit through the main doors. Students found off campus without a pass may be cited by the Pasadena Police or local authority for truancy and returned to Marshall Fundamental Secondary School. Students found on other Pasadena Unified School District campuses will be subject to an appropriate school consequence.

The school buildings are closed and secured 30 minutes after student dismissal. For your child's safety, all students on campus after dismissal must be in a supervised activity (eg. sports practice, LEARNs).

Visitors

All visitors must check in at the main entrance or office to request campus access. Visitors may be required to present identification. A visitor's pass must be worn at all times when on campus. The school reserves the right to deny access to visitors

Delivery of Items, Food, Gifts for Students

Deliveries of food, flowers, balloons, or any other items to students are strictly prohibited. Any items brought to campus for a student must be brought by the parent, guardian, or other adult designee to the main office, and clearly marked with the student's name and ID number. All items brought to campus are at the risk of the parent and/or guardian and students.

Reunification after Drills, Disasters, & Evacuations

The major types of drills are earthquake, fire/evacuation, and lock down/shelter-in-place. During a lock down or shelter-in-place drill the school will be locked and closed. This is for the safety of the students

and staff. No one from outside the school will be allowed onto campus until the drill is complete, or the lockdown/shelter-in-place has been resolved.

- A “lockdown” is called to protect from a human threat of violence.
- A “shelter-in-place” is called to protect from an airborne biological or chemical agent.

During an evacuation drill, all students and staff will proceed to the football field which is the primary evacuation area. In case an off-site evacuation becomes necessary, all Marshall students and staff will proceed to a designated location.

Anytime a disaster occurs, a request gate and reunification gate will be established at the gates of the North parking lot on Casa Grande when circumstances are deemed safe. Reunification gate location may change based on safety or logistical needs. Students will only be released to individuals listed on the emergency form, after providing proper identification.

Emergency Telephone Calls

A student may use an office telephone in an emergency to contact a parent or guardian. If a parent or guardian needs to get an emergency message to a student, please call the Main Office and a paper message will be delivered. **Please do not text or call your child on their cell phone during school hours.** Telephone calls are not transferred to the classroom during instructional time.

Please be advised, *students will only be excused with parent and/or guardian verification for absences due to illness, religious reasons and funerals.* Absences due to legal appointments, work or medical reasons will only be excused with a valid note from the appropriate party (lawyer, employer, medical doctor, etc.) when appropriate. This is not specific to full-day absences and will apply to single-period absence instances.

Early Departure

Students are not allowed to leave campus without a parent, guardian, or other adult designee during school hours. When students depart early from school, parents, guardians or designated contacts must sign students out at the front office. If students are leaving for medical appointments, their attendance will be marked as *ill* until a medical note or appointment notice is submitted to the office.

Tardy Policy

Students must arrive at school promptly at the beginning of each school day, and must be in their seats, prepared for each class at the start of each period. In an effort to reduce/eliminate student tardies, please note the following:
