Student Services Words of Wellness

As we head to the end of the school year and the grading period comes to an end, talk to your teachers if you are confused about your grade or missing work. They are here to help. If you want someone to help you connect to one of your teachers, reach out to your student services team, Miles, Thomas, Miss Lori, Bob, and Miss Danielle. They can help.

Campus Reminder

Our core values are Trust, Respect, and Responsibility. **Respect in the classroom starts with simple actions, like listening when someone else is speaking, arriving on time, and coming prepared. It means using kind and appropriate language, even when we disagree, and treating classmates and teachers the way we want to be treated. Thank you for showing respect to students, teachers, our campus, and yourself by living out our core values of trust, respect, and responsibility.**

Please be aware that the School Resource Officer will be at prom, making sure you have a safe and memorable evening. We will be using a handheld metal and vape detector as you come in the door. Live out our Mighty Cougar Core Values of trust, respect, and responsibility.
