Protect your pet's and your finances.

No matter if they're clumsy or able to defy gravity, our furry family members make the most interesting. However, when the unexpected happens to them, you need coverage that can help ease the burden of veterinary expenses. MetLife Pet Insurance can help.

Here's how it works:

1. **Enroll** - Select and enroll in the coverage that's right for you and your pet and download our mobile app
2. **Care** - Take your pet to the vet and pay the bill; manage your pet's health and wellness using the app
3. **Cover** - Send the bill and your claim documents to us and receive reimbursement by check or direct deposit if the claim expense is covered under the policy

It's that simple. A small monthly payment today can help keep your pet healthy and happy.
