Italian Club

Meetings held Every Thursday, Room 305E

Students in our club can engage in cultural exploration by learning about Italian traditions, history, art, and music. The club also serves as a platform for educational enrichment, offering opportunities for deeper engagement with topics such as geography, literature, and global studies—areas often limited in regular classes due to district curriculum requirements. Additionally, we plan to bring Italian culture to life through events like cooking classes, movie day, and cultural celebrations such as il Carnevale, La Befana, Gli Onomastici, Il Due Novembre, and more. Beyond cultural and educational experiences, our club fosters a strong sense of community by creating a welcoming space where students with shared interests can connect, build friendships (amicizia), and celebrate their Italian heritage. For students of Italian descent, the club offers a unique opportunity to honor and share their cultural roots.
