Needs Assessment Overview

Needs Assessment Overview Summary

Areas to Address:

1. ELA I Teacher Efficacy:

o A key focus for ELA I will be improving teacher efficacy. Strengthening confidence in both teachers and students is essential, along with setting higher expectations to ensure that students are challenged and motivated to meet higher performance levels.

2. ELA I Vacancies: o Two experienced ELA II teachers were moved to fill vacancies in ELA I. While their experience is a positive factor, supporting them in adapting to new content and grade-level expectations will be crucial for maintaining and improving student outcomes in ELA I.

3. Increase Meets and Masters Levels: o Across all subjects, but especially in Algebra I, ELA I, and ELA II, there is a need to focus on increasing the percentage of students reaching the Meets and Masters levels. Tailored interventions, enrichment programs, and high expectations will be critical to achieving this goal. By building on these successes and addressing the areas of concern, Grand Prairie High School can continue its trajectory of improvement, especially in English and mathematics, where higher expectations and targeted supports are necessary for long-term student success.

Conclusion and Goals for 2024-2025 Grand Prairie High School is committed to academic success, student engagement, and family involvement. With targeted initiatives, such as focusing on core subjects, addressing Panorama data concerns,

For provisions regarding discrimination and harassment involving District students, see FFH. Note that FFI shall be used in conjunction with FFH for certain prohibited conduct. For reporting requirements related to child abuse and neglect, see FFG.

Bullying Prohibited	The District prohibits bullying, including cyberbullying, as defined by state law. Retaliation against anyone involved in the complaint process is a violation of District policy and is prohibited.
Examples	Bullying of a student could occur by physical contact or through electronic means and may include hazing, threats, taunting, teasing, confinement, assault, demands for money, destruction of property, theft of valued possessions, name calling, rumor spreading, or ostracism.
Minimum Standards	In accordance with law, the Superintendent shall develop administrative procedures to ensure that minimum standards for bullying prevention are implemented.
Retaliation	The District prohibits retaliation by a student or District employee against any person who in good faith makes a report of bullying, serves as a witness, or participates in an investigation.
Examples	Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.
False Claim	A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding bullying shall be subject to appropriate disciplinary action.
Timely Reporting	Reports of bullying shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to immediately report may impair the District's ability to investigate and address the prohibited conduct.
Reporting Procedures	To obtain assistance and intervention, any student who believes that he or she has experienced bullying or believes that another student has experienced bullying should immediately report the alleged acts to a teacher, school counselor, principal, or other District employee. The Superintendent shall develop procedures allowing a student to anonymously report an alleged incident of bullying.

Report Format	A report may be made orally or in writing. The principal or designee shall reduce any oral reports to written form.
Periodic Monitoring	The Superintendent shall periodically monitor the reported counts of bullying incidents, and that declines in the count may represent not only improvements in the campus culture because bullying declines but also declines in the campus culture because of a decline in openness to report incidents.
Notice of Report	When an allegation of bullying is reported, the principal or designee shall notify a parent of the alleged victim on or before the third business day after the incident is reported. The principal or designee shall also notify a parent of the student alleged to have engaged in the conduct within a reasonable amount of time after the incident is reported.

FOCA
(LEGAL)

A disciplinary alternative education program (DAEP) is an educational and self-discipline alternative instruction program, adopted by local policy, for students in elementary through high school grades who are removed from their regular classes for mandatory or discretionary disciplinary reasons and placed in a DAEP. *19 TAC 103.1201(a)*

[See board-adopted Student Code of Conduct for information regarding DAEP.]

**Joint/Contracted
DAEP**

A district may provide a DAEP jointly with one or more other districts or may contract with third parties for DAEP services. The district must require and ensure compliance with district responsibilities that are transferred to the third-party provider. *Education Code 37.008(d); 19 TAC 103.1201(d)*

A DAEP may provide for a student's transfer to a different campus, a school-community guidance center, or a community-based alternative school. *Education Code 37.008(b)*

**Community
Organizations**

A district shall cooperate with government agencies and community organizations that provide services in the district to students placed in a DAEP. *Education Code 37.008(e)*

**Shared Service
Arrangements**

A district that participates in a shared service arrangement for DAEP services shall ensure that the district improvement plan and each campus-level plan include the performance of the DAEP student group for the district in accordance with 19 Administrative Code 103.1201(b) [see BQ]. *19 TAC 103.1201(b)*

Funding

A student removed to a DAEP is counted in computing a district's average daily attendance for the student's time in actual attendance in the program. *Education Code 37.008(f)*

A district shall allocate to a DAEP the same expenditure per student attending the DAEP that would be allocated to the student's school if the student were attending the student's regularly assigned education program, including a special education program. *Education Code 37.008(g)* [See also EHBC(LEGAL), Limit on DAEP Expenditures]

Location

A DAEP shall be provided in a setting other than the student's regular classroom. *Education Code 37.008(a)(1)*

A DAEP may be located on-campus or off-campus in adherence with requirements of the *Student Attendance Accounting Handbook*. For reporting purposes, the DAEP shall use the county-district-campus number of the student's locally assigned campus (the campus the student would be attending if the student was not at-

An off-campus DAEP is not subject to a requirement imposed by the Education Code, other than a limitation on liability, a reporting requirement, or a requirement imposed by Education Code Chapter 37 or Chapter 39 or 39A. *Education Code 37.008(c)*

An elementary school student may not be placed in a DAEP with a student who is not an elementary school student. The designation of elementary and secondary is determined by adopted local policy. *Education Code 37.006(f); 19 TAC 103.1201(h)(1)*

Students who are assigned to the DAEP shall be separated from students who are not assigned to the program. Notwithstanding this requirement, summer programs provided by the district may serve students assigned to a DAEP in conjunction with other students, as determined by local policy.

Students in the DAEP shall be separated from students in a juvenile justice alternative education program.

Education Code 37.008(a)(3), (c); 19 TAC 103.1201(f)(3), (h)(3)

Safety

A district is responsible for the safety and supervision of the students assigned to the DAEP; however, the immunity from the liability established in Education Code 22.0511 [see DG], shall not be impacted. The DAEP staff shall be prepared and trained to respond to health issues and emergencies.

Each district shall establish a board-approved policy for discipline and intervention measures to prevent and intervene against unsafe behavior and include disciplinary actions that do not jeopardize students' physical health and safety, harm emotional well-being, or discourage physical activity.

Staffing

A DAEP shall employ only teachers who meet certification requirements under Education Code Chapter 21, Subchapter B. The certified teacher-to-student ratio in a DAEP shall be one teacher for each 15 students in elementary through high school grades. *Education Code 37.008(a)(7); 19 TAC 103.1201(h)(1)*

**Reporting Child
Abuse and Neglect**

Any person who has reasonable cause to believe that a child's physical or mental health or welfare has been adversely affected by abuse or neglect has a legal responsibility, under state law, to immediately report the suspected abuse or neglect to an appropriate authority.

As defined in state law, child abuse and neglect include both sex and labor trafficking of a child.

The following individuals have an additional legal obligation to submit a written or oral report within 48 hours of learning of the facts giving rise to the suspicion of abuse or neglect:

1. Any District employee, agent, or contractor who suspects a child's physical or mental health or welfare has been adversely affected by abuse or neglect.
2. A professional who has reasonable cause to believe that a child has been or may be abused or neglected or may have been a victim of indecency with a child. A professional is anyone licensed or certified by the state who has direct contact with children in the normal course of duties for which the individual is licensed or certified.

A person is required to make a report if the person has reasonable cause to believe that an adult was a victim of abuse or neglect as a child and the person determines in good faith that disclosure of the information is necessary to protect the health and safety of another child or an elderly or disabled person.

[For parental notification requirements regarding an allegation of educator misconduct with a student, see FFF.]

Restrictions on Reporting

In accordance with law, an employee is prohibited from using or threatening to use a parent's refusal to consent to administration of a psychotropic drug or to any other psychiatric or psychological testing or treatment of a child as the sole basis for making a report of neglect, unless the employee has cause to believe that the refusal:

1. Presents a substantial risk of death, disfigurement, or bodily injury to the child; or
2. Has resulted in an observable and material impairment to the growth, development, or functioning of the child.

Making a Report

Reports may be made to any of the following:

1. A state or local law enforcement agency;
2. The Child Protective Services (CPS) division of the Texas Department of Family and Protective Services (DFPS) at (800) 252-5400 or the [Texas Abuse Hotline Website](#)¹;
3. A local CPS office; or
4. If applicable, the state agency operating, licensing, certifying, or registering the facility in which the suspected abuse or neglect occurred.

However, if the suspected abuse or neglect involves a person responsible for the care, custody, or welfare of the child, the report must be made to DFPS, unless the report is to the state agency that operates, licenses, certifies, or registers the facility where the suspected abuse or neglect took place; or the report is to the Texas Juvenile Justice Department as a report of suspected abuse or neglect in a juvenile justice program or facility. As defined by law, a person responsible for the care, custody, or welfare of a child includes school personnel and volunteers and day-care workers. [See FFG(LEGAL)]

**Failing to Report
Suspected Child
Abuse or Neglect**

By failing to report suspicion of child abuse or neglect, an employee:

1. May be placing a child at risk of continued abuse or neglect;

3. Violates Board policy and may be subject to disciplinary action, including possible termination of employment; and
