

Honors Program

YOUR BEST TRANSFER OPPORTUNITY

STUDENT: Do I need honors classes or a high GPA to take an honors class at SCC?

SCC: Not at all! For **Fall 2025**, SCC is **waiving the GPA requirement** for incoming first-year students. That means you can jump into an honors class this fall — no GPA is needed to start!

FUN FACT: 95% of students who try one honors class go on to take more.
Give it a shot — you might love it!

WHY SHOULD I ENROLL IN THE HONORS PROGRAM?

- Honors Transfer Agreements with four-year institutions such as UCLA Transfer Alliance Program, UCI Honors to Honors, CSU Honors Programs, Chapman University, and many more!
- Research Opportunities
- Access to Honors Scholarships
- Pre-selection of Honors classes
- Many more benefits - check out - sccollege.edu/honors

WHAT DO HONORS STUDENTS SAY ABOUT THE HONORS PROGRAM?

"The small Honors classes let me get a 'hands-on' learning experience. The atmosphere in the classes is more intimate-- the students want to come to class to learn, not because they have to." Karin Gentry

"The discussion-based classroom structure promotes free thinking much more than sitting and listening to a stale lecture. Your classmates become more than faces; I actually know almost everyone's name in my class." Geneva Woznicki

SCC HONORS program
