

STAR OF THE NORTH

A high school program of
CHOICE for FNSBSD students

2301 Bradway Rd, North Pole, AK

What sets us apart?

Class sizes at Star of the North are intentionally kept small. There are no bells, no lockers, no noisy passing periods.

Freshman and Sophomores enjoy direct instruction from teachers who rotate in and out of the classroom.

Juniors and Seniors have the flexibility of independent study meaning that they can accelerate to either finish school early or quickly recover credits they may have missed in previous years.

Academic Success

I came to STAR wanting a change from homeschooling, and this school was exactly what I needed. My hard work and dedication, along with the help of the teachers here at STAR, allowed me to graduate a year early so I could continue to follow my dreams.

-Jacob W. Class of 2025 (originally 2026)

WHY CHOOSE US?

- Small Class Sizes ✓
- Fewer Distractions ✓
- Academic Flexibility ✓
- Fully Accredited FNSBSD Diploma ✓
