

CARDIAC SCREENING

Early Detection Saves Lives

Stop Sudden Cardiac Arrest (SCA) • Have Your Family Screened

ECHO AND EKG SCREENING

Heartfelt is proud to be partnering with **Laguna Beach High School** to offer cardiac screenings for a donation of **\$100 per person**. We screen **ADULTS and KIDS**, ages 5 and up.

ECHO and EKG SCREENING

The echocardiogram (cardiac ultrasound) and electrocardiogram (EKG) are the best tools for detection of the general risks of sudden cardiac death. These tests typically cost \$1,500 and are not usually covered by insurance.
