DATA GOVERNANCE UPDATES

- **Legislative Update (HB1416) – Accelerated Instruction:**
  - HB 1416, passed during the 88th legislative session, amends Section 28.0211, Education Code related to accelerated and supplemental instruction for students. Each student that fails to achieve at least satisfactory performance on each assessment instrument administered under Section 39.023, Education Code must be provided supplemental instruction for no less than 15 hours or 30 hours for a student whose performance on the applicable assessment instrument was significantly below satisfactory, as defined by commissioner rule.

  - The Texas Tutoring Supports division at the Texas Education Agency (TEA) has requested that local education agencies (LEAs) have a method to transfer the accelerated education plan developed for each student when the student transfers to a new LEA. Additionally, the division has requested that information be reported to TEA to monitor and evaluate the effectiveness of the accelerated instruction provided by each LEA.

DATA GOVERNANCE UPDATES

- **Legislative Update (HB 2209) – Rural Pathway Excellence Partnership**
  - HB 2209, passed during the 88th Legislative Regular Session, added Texas Education Code Section 29.912 for the Rural Pathway Excellence Partnership (R-PEP). This partnership allows rural school districts to enter into agreements with other districts to develop rural college and career pathway partnerships. The funding for the program comes from the Foundation School Program. The program area has requested a student-level indicator to determine which students participate in the R-PEP program. The indicator will be used to calculate the ADA allotment funding.

  - During the October 17, 2023, ITF meeting, the committee approved a student level-indicator to indicate the students who participate in a Rural Pathway Excellence Partnership (R-PEP) program as outlined by HB 2209, passed during the 88th Legislative Regular Session. Since then, the program area has requested an additional data element be added to track the hours a student participates in the R-PEP program.
