

How to Create a Student Intervention in eduCLIMBER

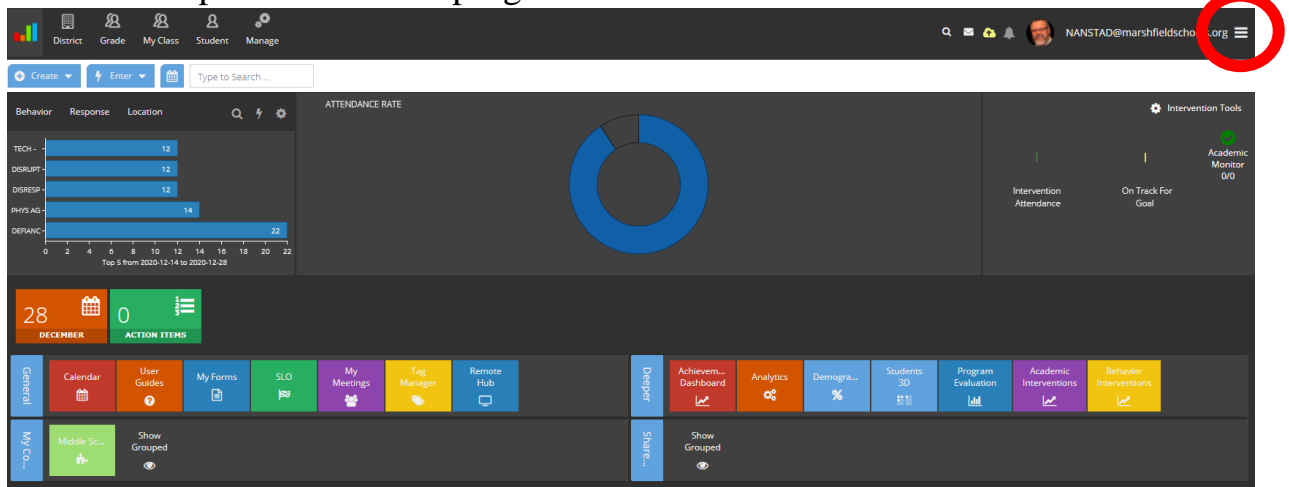

1. Login into eduClimber on the MyApps page of the District Website. Sign-in with Google

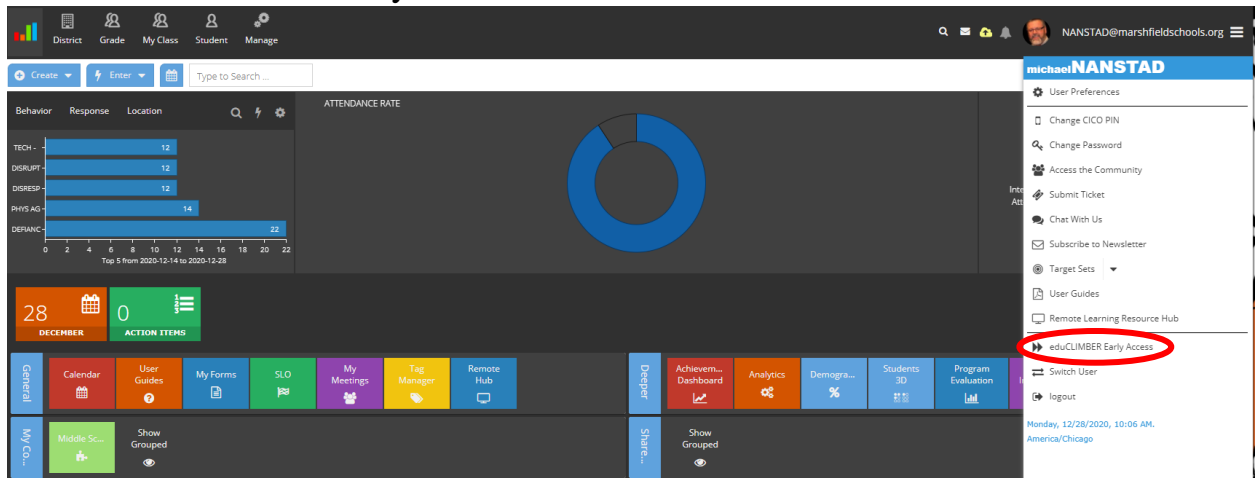

The login form for eduCLIMBER includes a District ID (Switch) field with the value 1526, a Username field with the placeholder 'Enter your username', and a Password field with the placeholder 'Enter password'. A 'Forgot Password?' link is located below the password field. A green 'Sign In' button is positioned below the password field. A blue 'Sign In with Google' button, featuring the Google logo, is circled in red. Below the buttons is a 'Follow Us!' section with social media icons for Facebook, Twitter, and LinkedIn.

2. Click on the pancake in the top right corner.

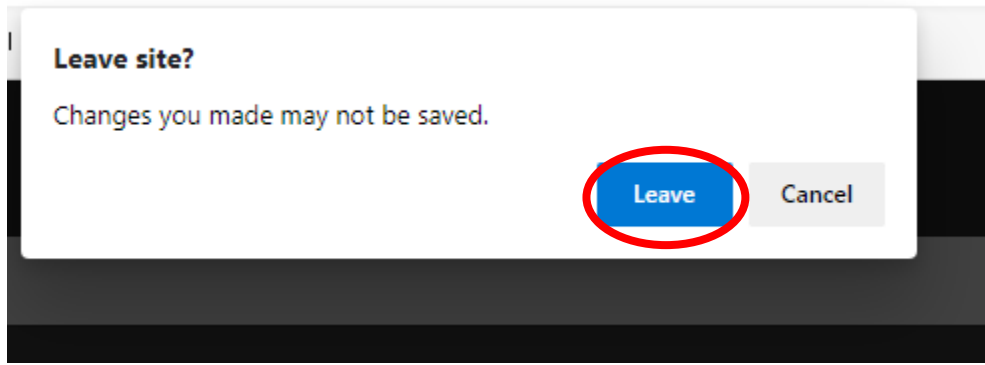

3. Click on eduClimber Early Access

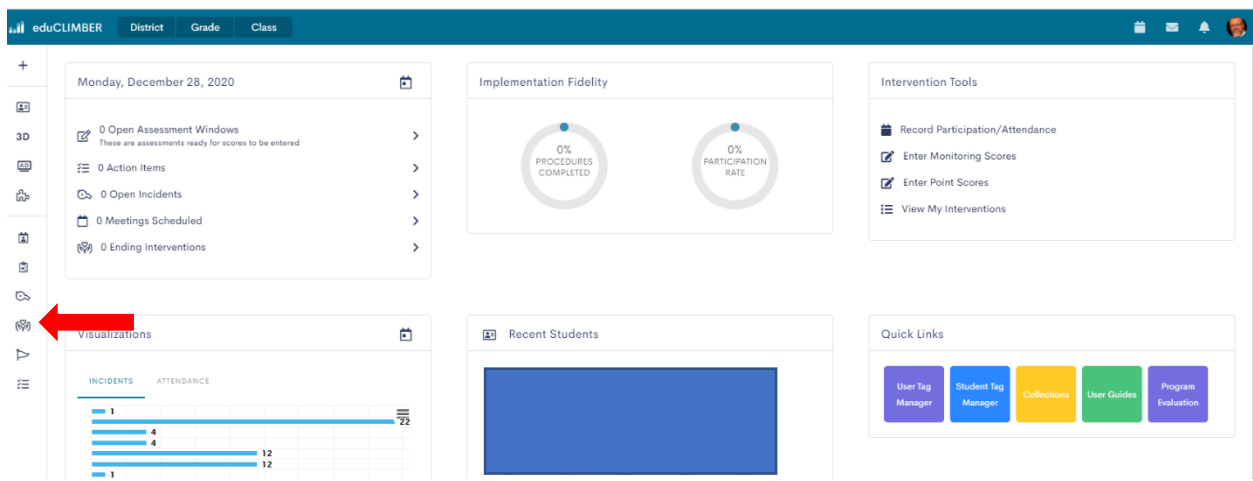

4. Click yes to go to eduClimber Early Access

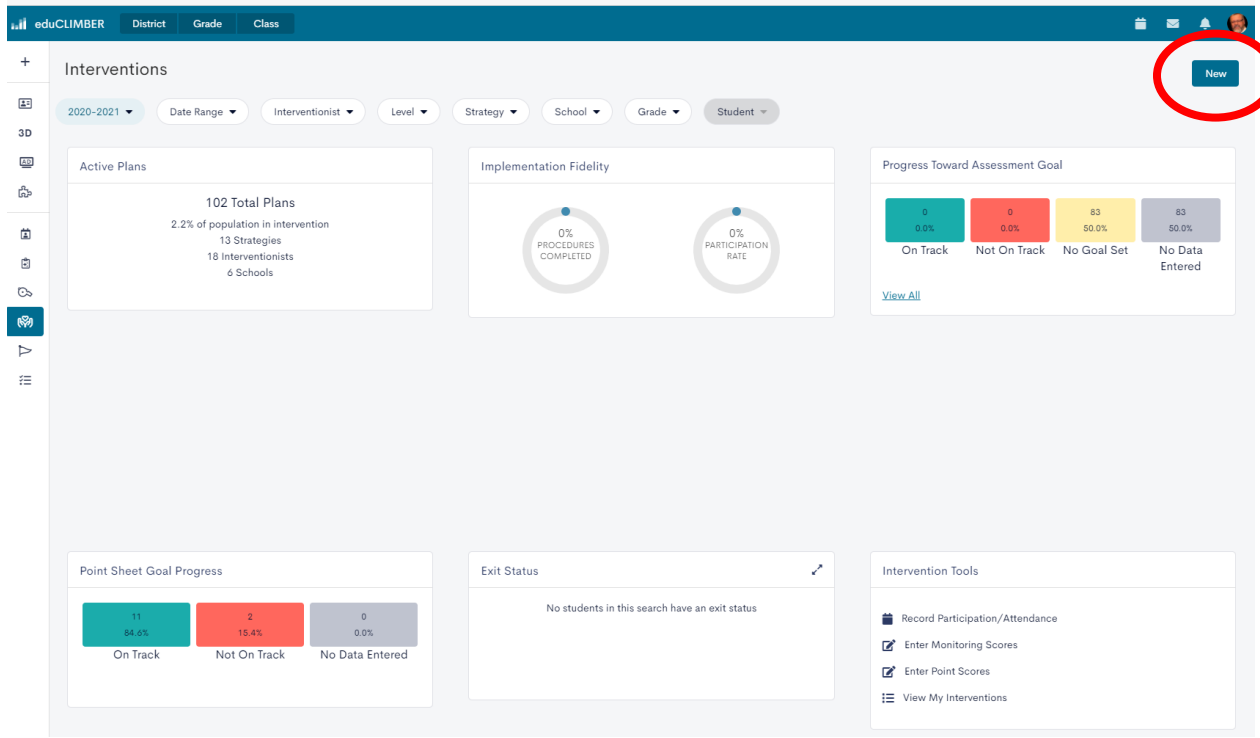

5. Click Leave

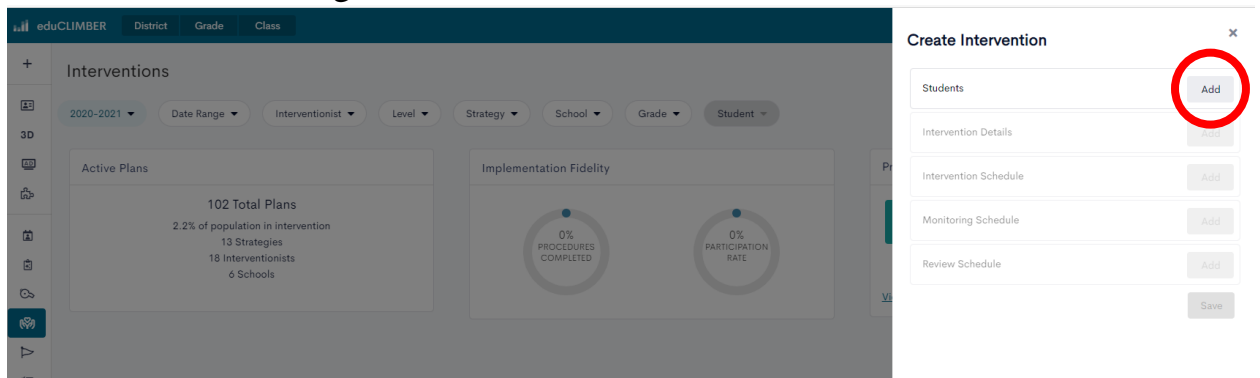

6. Click on the Intervention Icon

7. Click on the New Button in the upper right corner

8. Click on Add to the right of Students

9. Click on School Year, School and Select Students. More than one student can be added to an intervention at a time. Then Click Add

The screenshot shows the 'Students' modal in the eduCLIMBER interface. The modal has a title bar with a back arrow and a close button. Below the title bar, there are three dropdown menus: 'School Year' (set to 2020-2021), 'School', and 'Add Students' (set to 'Select students'). At the bottom of the modal, there is a label 'Students in Intervention' and an 'Add' button. Red arrows point to each of these elements: the 'School Year' dropdown, the 'School' dropdown, the 'Add Students' dropdown, and the 'Add' button.

10. Then fill in Intervention Details like Level, Skill Area, Strategy and Name of Intervention (I suggest student last name and area of concern). Click Add to continue.

The screenshot shows the 'Intervention Details' modal in the eduCLIMBER interface. The modal has a title bar with a back arrow and a close button. Below the title bar, there are four input fields: 'Interventionist' (set to 'NANSTAD, MICHAEL'), 'Level', 'Skill Area', and 'Strategy'. At the bottom of the modal, there is a 'Name' input field with a red border and a red error message 'Intervention name is required' below it. To the right of the 'Name' field is an 'Add' button. Red arrows point to each of these elements: the 'Level' field, the 'Skill Area' field, the 'Strategy' field, the 'Name' field, and the 'Add' button.

11. Fill in the Intervention Schedule. Start and End dates. Schedule Type can stay weekly. What days of the week will you provide intervention? Start and End Times. Click Add.

The screenshot shows the 'Intervention Schedule' modal form in the eduCLIMBER application. The form includes the following fields and controls:

- Start Date:** 12/28/2020
- End Date:** 07/01/2021
- Schedule Type:** Weekly Schedule (dropdown menu)
- Days of the week:** M, Tu, W, Th, F (checkboxes)
- Start Time:** (empty text field)
- End Time:** (empty text field)
- Add:** (button)

Red arrows indicate the sequence of steps for filling out the form: Start Date, End Date, Schedule Type, Days of the week, Start Time, End Time, and the Add button.

12. Fill in the Monitoring Schedule. Select a Monitoring Type. Confirm start and end dates. Pick a start and end time for monitoring. Select number of weeks for monitoring. Select days of week. Add measure. Follow the same process if you are adding additional measures.

The screenshot shows the 'Monitoring Schedule' modal form in the eduCLIMBER application. The form includes the following fields and controls:

- Measures:** Measure 1 (dropdown menu)
- Monitoring User:** NANSTAD, MICHAEL (dropdown menu)
- Monitoring Type:** (dropdown menu)
- Primary measures will be used in all ROI reporting for this intervention:** (checked checkbox)
- Date and Time:**
 - Start Date:** 12/28/2020
 - End Date:** 07/01/2021
 - Start Time:** (empty text field)
 - End Time:** (empty text field)
 - Every number of weeks:** (empty text field)
 - Days of the week:** M, Tu, W, Th, F (checkboxes)
- Students:** (empty text field)
- Add:** (button)

Red arrows indicate the sequence of steps for filling out the form: Monitoring Type, Start Date, End Date, Start Time, End Time, Every number of weeks, Days of the week, and the Add button.

13. Fill-in the Review Schedule. Confirm Start/End dates. Select Frequency. Select number of weeks and days of week. Click Add

The screenshot shows the 'Review Schedule' modal in the eduCLIMBER interface. The modal contains the following fields and options:

- Start Date:** 12/28/2020
- End Date:** 07/01/2021
- Frequency:** Weekly (selected), Monthly
- Every number of weeks:** 1
- Days of the week:** M, Tu, W, Th, F
- Meetings:** Do not assign to meeting (selected)
- Add:** Button to save the schedule.

14. Save. Student Intervention has been created.

**When you create an intervention for a student, a PLP form will be automatically generated. The following is the directions for finding and populating that form.

15. Click on the Student Profile you just created the intervention for.

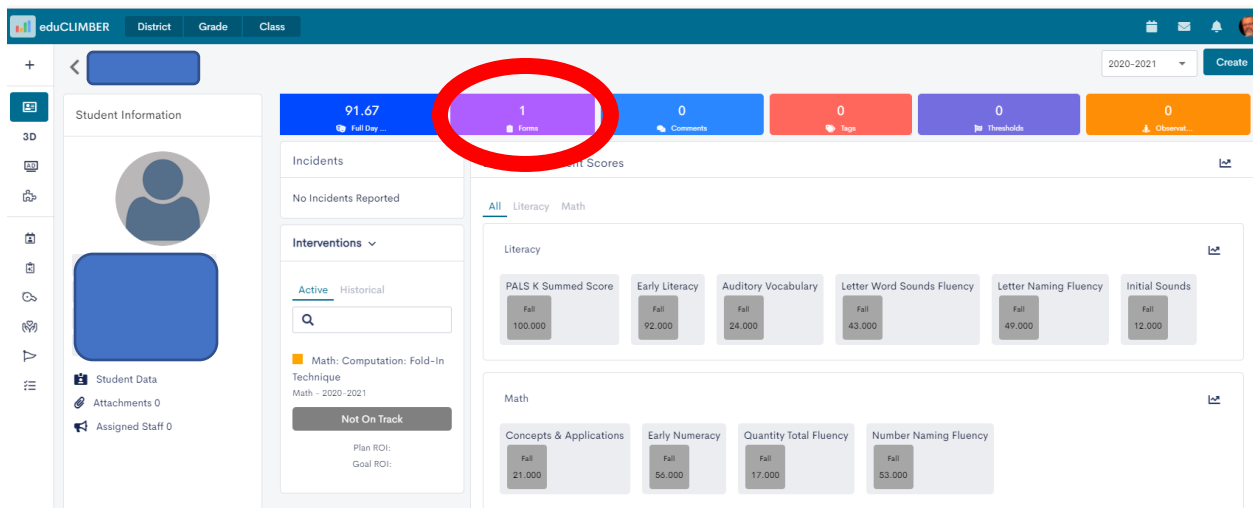

The screenshot shows the main dashboard of the eduCLIMBER system. The dashboard includes the following sections:

- Top Left:** Date selector showing 'Tuesday, December 29, 2020'.
- Top Center:** 'Implementation Fidelity' section with two circular gauges for '0% PROCEDURES COMPLETED' and '0% PARTICIPATION RATE'.
- Top Right:** 'Intervention Tools' section with links for 'Record Participation/Attendance', 'Enter Monitoring Scores', 'Enter Point Scores', and 'View My Interventions'.
- Bottom Left:** 'Visualizations' section showing a bar chart for 'INCIDENTS' and 'ATTENDANCE'.
- Bottom Center:** 'Recent Students' section with a blue placeholder box.
- Bottom Right:** 'Quick Links' section with buttons for 'User Tag Manager', 'Student Tag Manager', 'Collections', 'User Guides', and 'Program Evaluation'.

16. Search for student by typing in their last name.

17. Click on Forms

18. Double click on the smartForm.
