2. Click on the Intervention Icon

3. Click on the New Button in the upper right corner

4. Click on Add to the right of Students

5. Click on School Year, School and Select Students. More than one student can be added to an intervention at a time. Then Click Add

The screenshot shows the 'Students' modal in the eduCLIMBER interface. The modal contains the following fields:

- School Year: 2020-2021
- School: [Dropdown]
- Add Students: Select students
- Students in Intervention: [Dropdown]
- Add: [Button]

Red arrows indicate the sequence of actions: clicking on the 'Student' dropdown in the main interface, then the 'Add' button in the modal.

6. Then fill in Intervention Details like Level, Skill Area, Strategy and Name of Intervention (I suggest student last name and area of concern). Click Add to continue.

The screenshot shows the 'Intervention Details' modal in the eduCLIMBER interface. The modal contains the following fields:

- Interventionist: NANSTAD, MICHAEL
- Level: [Dropdown]
- Skill Area: [Dropdown]
- Strategy: [Dropdown]
- Name: [Text input field with red border and error message 'Intervention name is required']
- Add: [Button]

Red arrows indicate the sequence of actions: clicking on the 'Interventionist' dropdown in the main interface, then the 'Add' button in the modal.

7. Fill in the Intervention Schedule. Start and End dates. Schedule Type can stay weekly. What days of the week will you provide intervention? Start and End Times. Click Add.

The screenshot shows the eduCLIMBER interface with the 'Intervention Schedule' form open. The form includes fields for Start Date (12/28/2020), End Date (07/01/2021), Schedule Type (Weekly Schedule), Days of the week (M, Tu, W, Th, F), Start Time, and End Time. A red arrow points to the 'Add' button at the bottom right.

8. Fill in the Monitoring Schedule. Select a Monitoring Type. Confirm start and end dates. Pick a start and end time for monitoring. Select number of weeks for monitoring. Select days of week. Add measure. Follow the same process if you are adding additional measures.

The screenshot shows the eduCLIMBER interface with the 'Monitoring Schedule' form open. The form includes fields for Monitoring User (NANSTAD, MICHAEL), Monitoring Type, Date and Time (Start Date: 12/28/2020, End Date: 07/01/2021), Start Time, End Time, Every number of weeks, Days of the week (M, Tu, W, Th, F), and a list of Students. A red arrow points to the 'Add' button at the bottom right.

9. Fill-in the Review Schedule. Confirm Start/End dates. Select Frequency. Select number of weeks and days of week. Click Add

The screenshot shows the 'Review Schedule' modal in the eduCLIMBER interface. The modal is titled '< Review Schedule' and has a close button 'X'. It contains the following fields and options:

- Start Date:** 12/28/2020
- End Date:** 07/01/2021
- Frequency:** ☒ Weekly ☐ Monthly
- Every number of weeks:** 1
- Days of the week:** M, Tu, W, Th, F
- Meetings:** ☒ Do not assign to meeting
- Add:** A button to save the schedule.

10. Save. Student Intervention has been created.

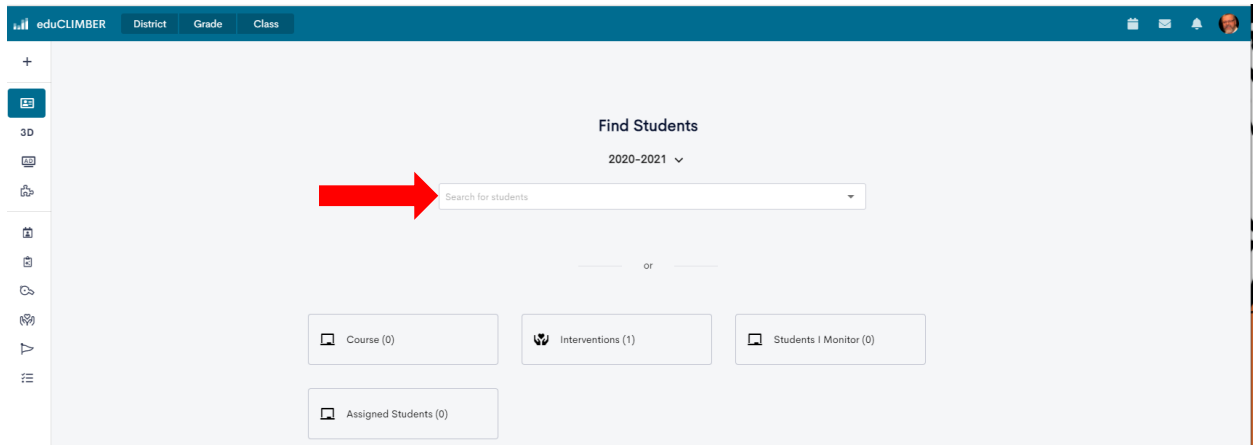

***When you create an intervention for a student, you may want to create a PLP for that student as well. The following is the directions for creating and populating that form.*

11. Click on the Student Profile you just created the intervention for.

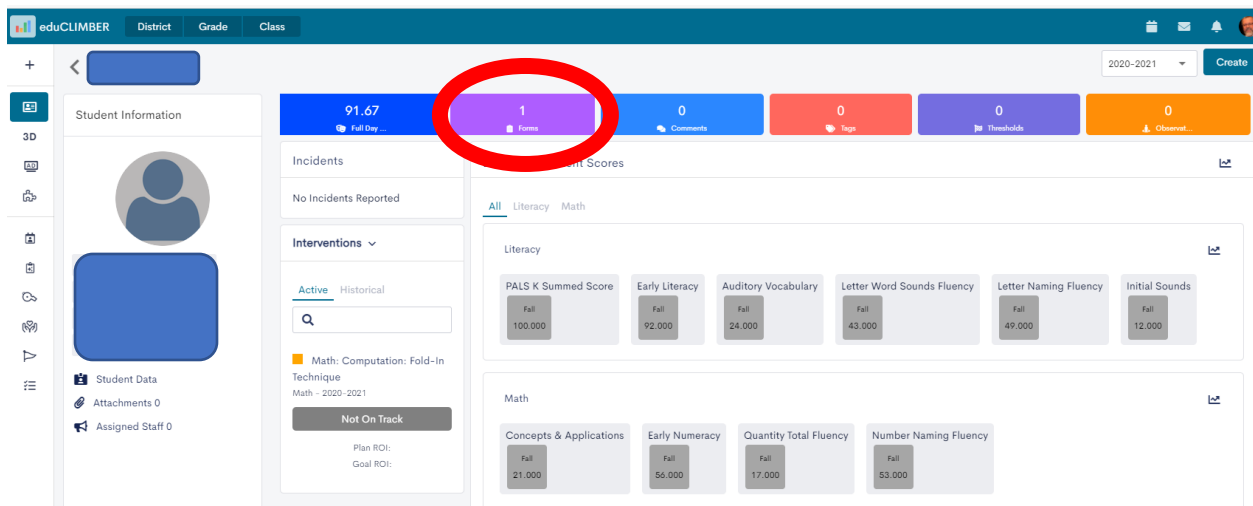

The screenshot shows the Student Profile page in the eduCLIMBER interface. The page is titled 'Tuesday, December 29, 2020'. The left sidebar contains a list of icons, with a red arrow pointing to the 'Add' button. The main content area includes the following sections:

- Implementation Fidelity:** Two circular progress indicators showing 0% PROCEDURES COMPLETED and 0% PARTICIPATION RATE.
- Intervention Tools:** A list of tools including Record Participation/Attendance, Enter Monitoring Scores, Enter Point Scores, and View My Interventions.
- Visualizations:** A bar chart showing data for Incidents and Attendance.
- Recent Students:** A section for recent students.
- Quick Links:** A row of buttons for User Tag Manager, Student Tag Manager, Collections, User Guides, and Program Evaluation.

12. Search for student by typing in their last name.

13. Click on Forms

14. Click on Create then click on smartFORM.
