

Printing Whole Class Data Wall in eduClimber

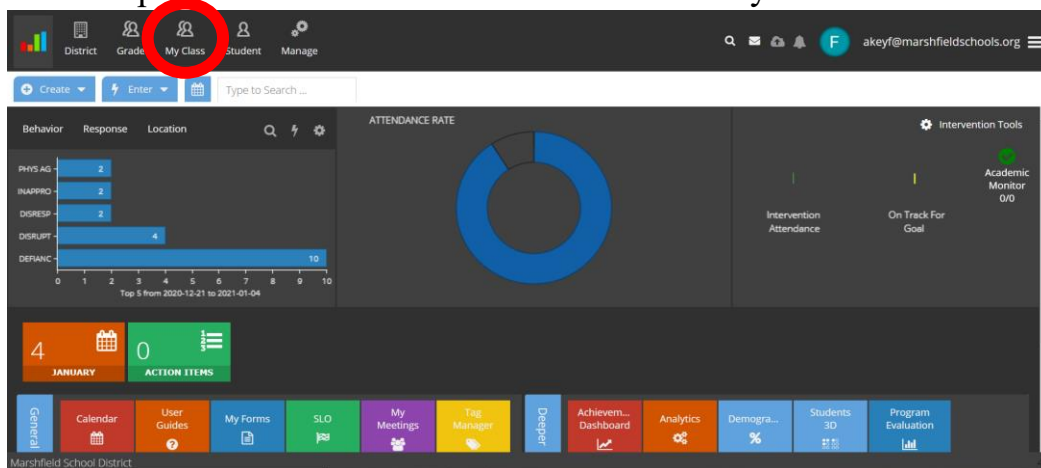

1. Login into eduClimber on the MyApps page of the District Website. Sign-in with Google

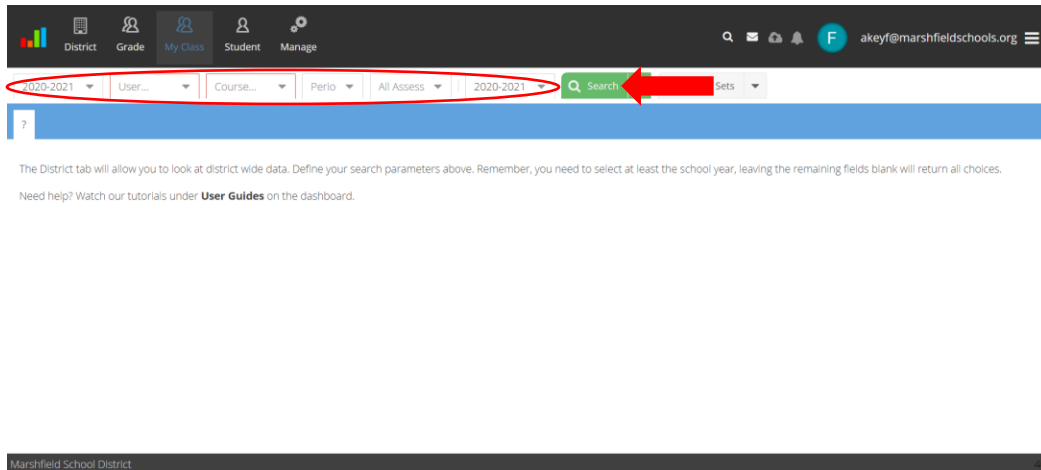

The login form for eduClimber includes a 'DISTRICT ID (SWITCH)' field with the value '1526'. Below this are fields for 'USERNAME' (placeholder: 'Enter your username') and 'PASSWORD' (placeholder: 'Enter password'). A 'Forgot Password?' link is located below the password field. A green 'Sign In' button is positioned below the password field. At the bottom, a blue button with the Google logo and the text 'Sign In with Google' is circled in red. Below the button is a 'Follow Us!' section with social media icons for Facebook, Twitter, and LinkedIn.

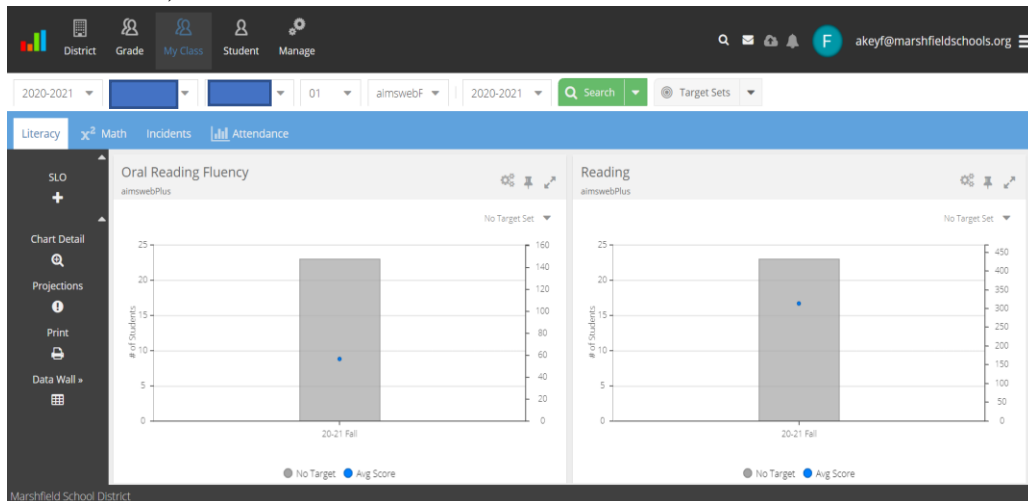

2. At the top of this screen click on the tile titled “My Class”

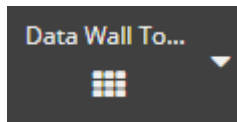

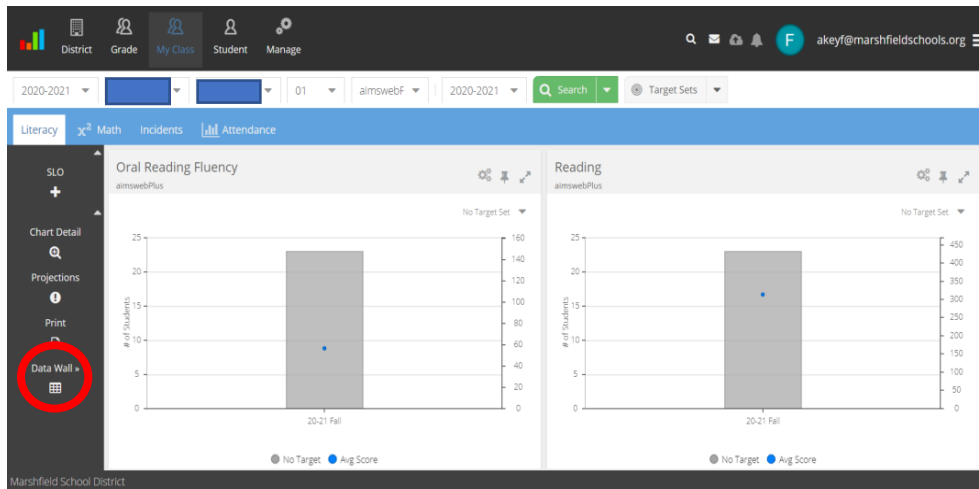

3. Next select the year, your class, course, and assessment data that you want to print a whole class data wall for and click the search button.

- This should pull up a chart for each component of the assessment that you are looking for, for example, Aimsweb Plus for 2nd grade in ELA will show a chart for Oral Reading Fluency, Reading, Reading Comprehension, and Vocabulary. (You can also left click on each chart to pull up student scores and details).

5. Click on the Data Wall tile.

- Export
- Print
- Custom Data Walls

6. Click on the Data Wall To... button to bring up these 3 options, click print, then right click on the page, select print, select the print options, click print, and go to the printer to collect your whole class data wall printout.
