## <u>Entering ELA Benchmarks in EduClimber: (Early Access View)</u>
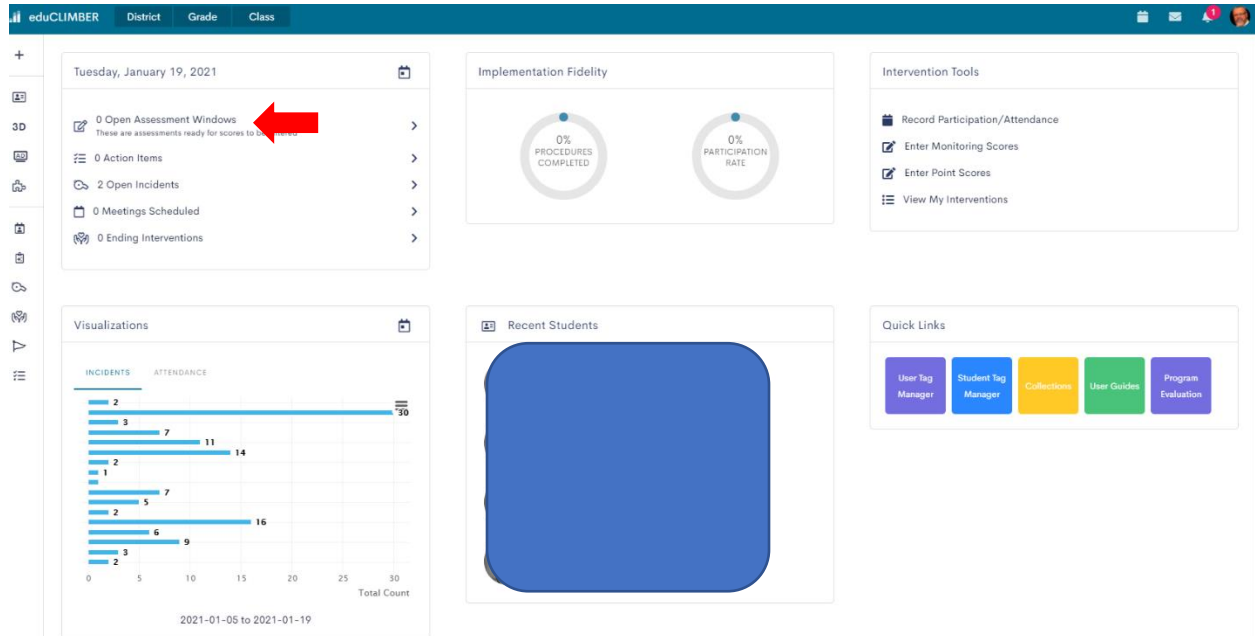

Begin by going to the School District of Marshfield Website-Staff-My Apps-EduClimber.

Next: Sign-In with Google
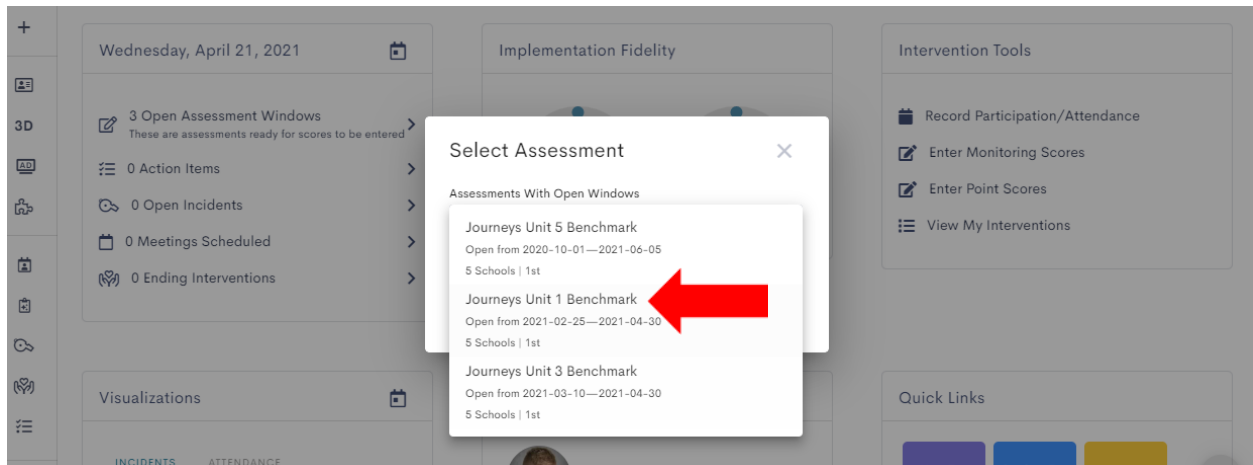

Click on the statement "Open Assessment Windows"

Select the down arrow to open the various assessment windows.

Select the appropriate Unit Benchmark. Then click continue.

Click "By Course" to only see your students. Leave as "By Grade" to see all grade level students in your building. Then click Assessment (pick the subtest you want to do first), User (select your name) and Course (Should be grade level and English Language Arts).
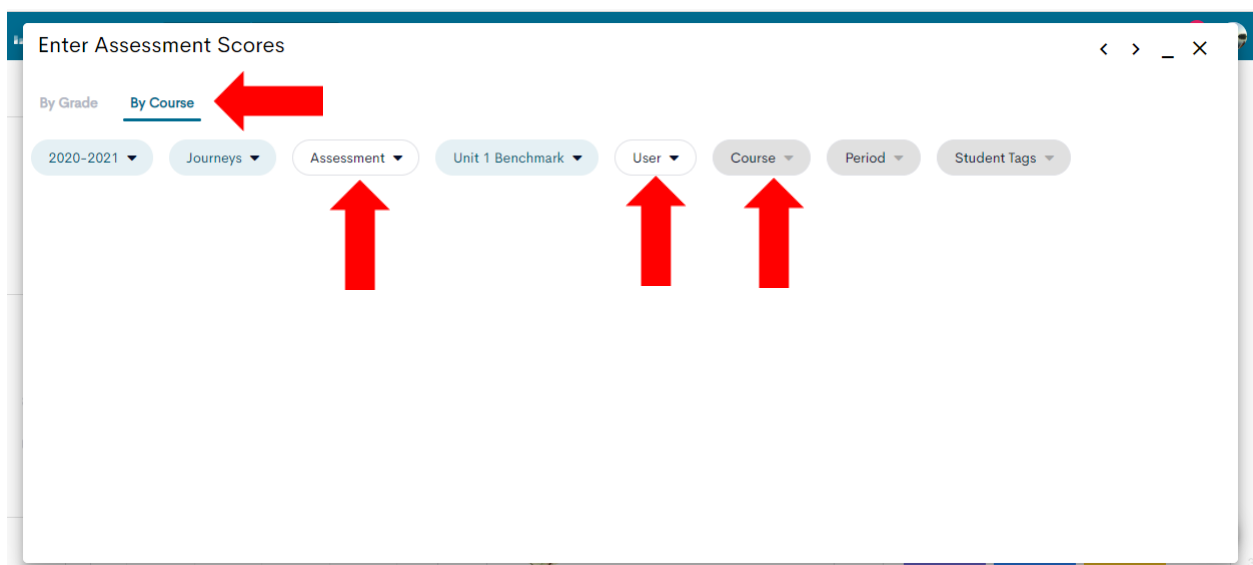

That will open up the Benchmark subtests and you can begin entering scores. You will need to repeat this step for each subtest of your Unit benchmark.
