

## How to Create a PLP in eduCLIMBER (Early Access View)

1. Login into eduClimber on the MyApps page of the District Website. Sign-in with Google

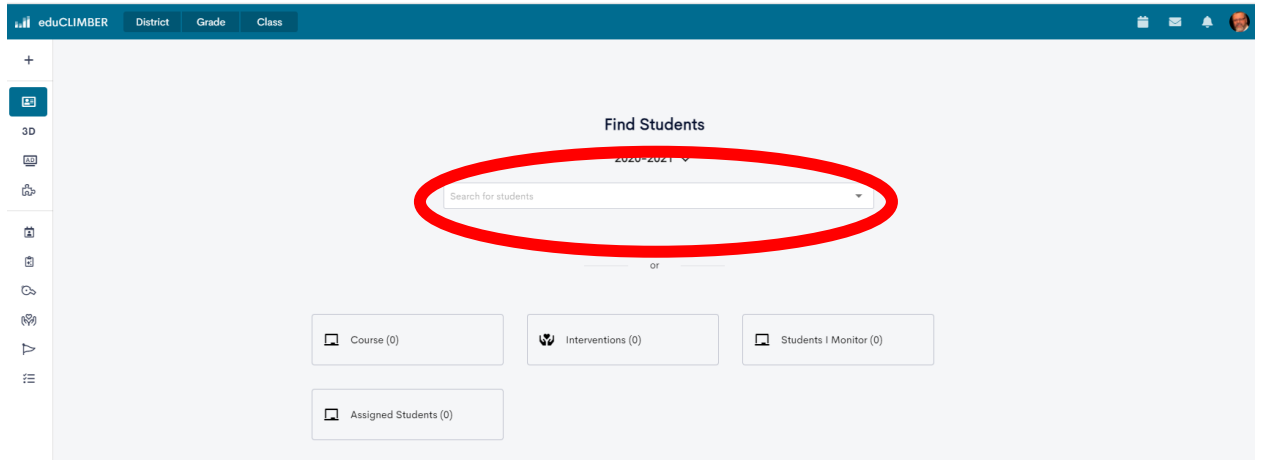

The screenshot shows the login interface for eduCLIMBER. It includes a 'DISTRICT ID (SWITCH)' field with the value '1526', a 'USERNAME' field with the placeholder 'Enter your username', and a 'PASSWORD' field with the placeholder 'Enter password'. Below these fields is a 'Forgot Password?' link. A green 'Sign In' button is present, and a blue 'Sign In with Google' button is circled in red. At the bottom, there is a 'Follow Us!' section with social media icons for Facebook, Twitter, and Tumblr. To the right of the login form is a photograph of a young girl with long dark hair, smiling and looking down.

2. Click on the Student Profile Icon

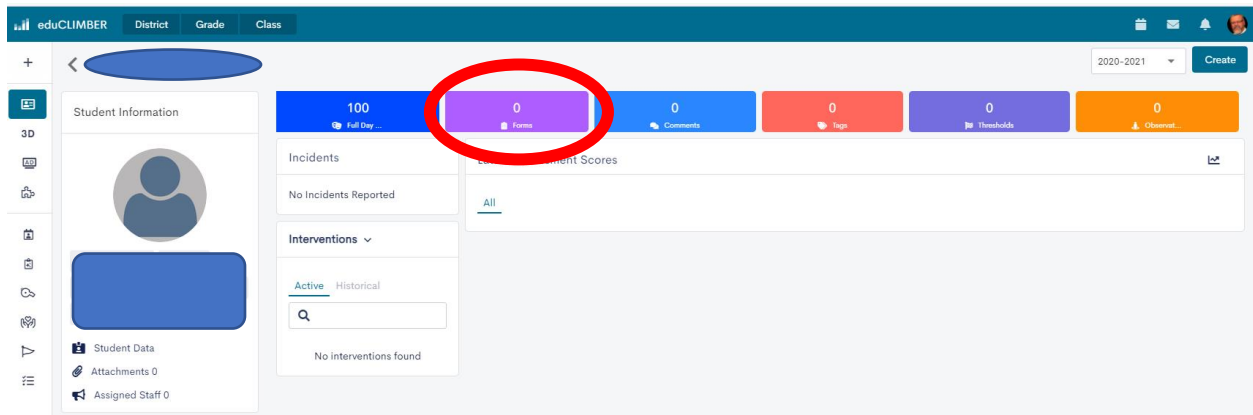

The screenshot displays the eduCLIMBER dashboard. The top navigation bar includes 'eduCLIMBER', 'District', 'Grade', and 'Class'. The left sidebar contains a vertical menu with icons for home, calendar, 3D, and other functions. A red arrow points to the 'Student Profile' icon. The main dashboard area is divided into several sections: 'Monday, December 28, 2020' with a calendar icon; 'Implementation Fidelity' with two circular progress indicators showing '0% PROCEDURES COMPLETED' and '0% PARTICIPATION RATE'; 'Intervention Tools' with a list of actions like 'Record Participation/Attendance', 'Enter Monitoring Scores', 'Enter Point Scores', and 'View My Interventions'; 'Visualizations' with a bar chart showing 'INCIDENTS' and 'ATTENDANCE' data; 'Recent Students' with a blue rectangular area; and 'Quick Links' with buttons for 'User Tag Manager', 'Student Tag Manager', 'Collections', 'User Guides', and 'Program Evaluation'.

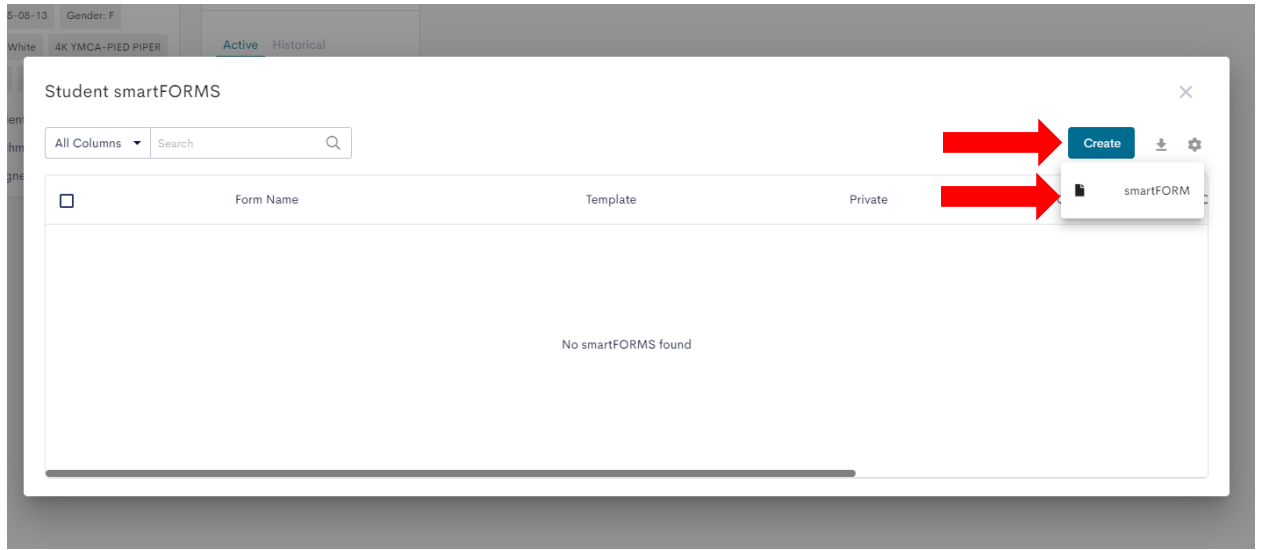

## 5. Search for student by typing their last name

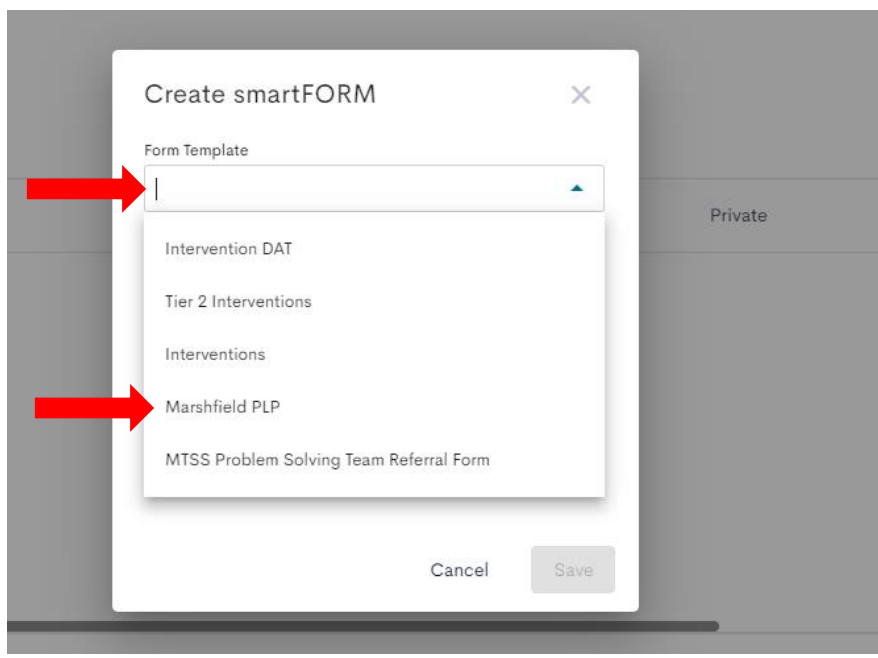

## 6. Click on Forms

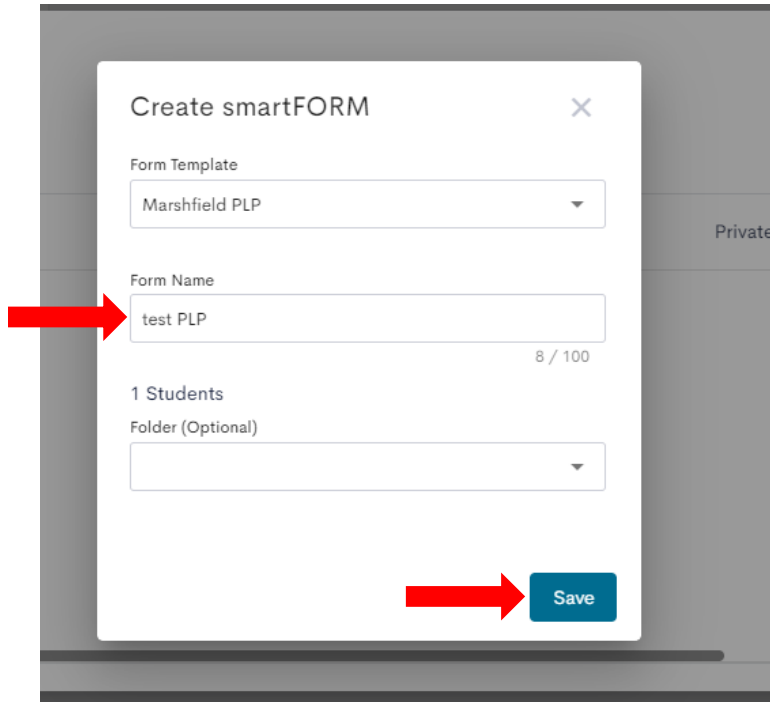

## 9. Click Create then Click on smartFORM

## 10. Click Form Template then Marshfield PLP

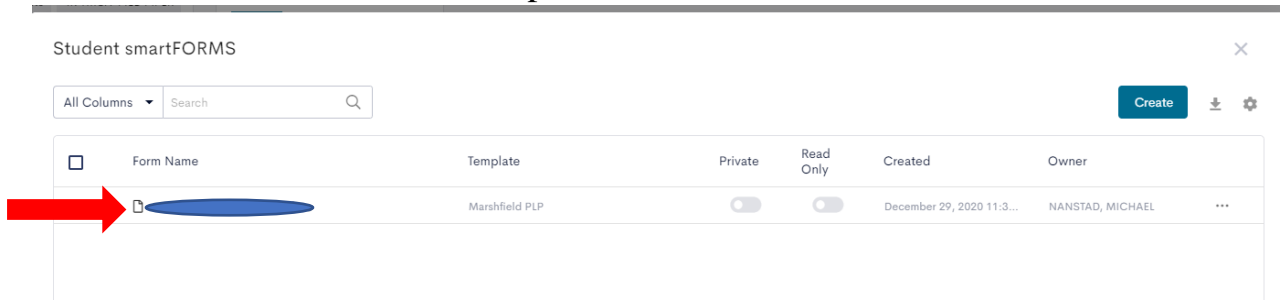

11. Give the Form a name. I suggest the “student’s last name PLP”. Then click Save

The screenshot shows a 'Create smartFORM' dialog box with the following fields and actions:

- Form Template:** Marshfield PLP (dropdown menu)
- Form Name:** test PLP (text input field, highlighted with a red arrow, with a character count of 8 / 100)
- 1 Students:** (text label)
- Folder (Optional):** (empty dropdown menu)
- Save:** (blue button, highlighted with a red arrow)

12. Double click the smartForm to open.

The screenshot shows a table titled 'Student smartFORMS' with the following columns and data:

	Form Name	Template	Private	Read Only	Created	Owner
<input type="checkbox"/>	test PLP	Marshfield PLP	<input type="checkbox"/>	<input type="checkbox"/>	December 29, 2020 11:3...	NANSTAD, MICHAEL

A red arrow points to the first row, which is highlighted with a blue oval.

13. Begin populating the form. Changes to the form will save automatically.

The image shows a web-based form for tracking student interventions. The form is divided into several sections:

- Student:** A dropdown menu for selecting a student.
- Date Field:** A date input field.
- School:** A dropdown menu for selecting a school.
- Grade:** A dropdown menu for selecting a grade level.
- Meeting Participants:** A large text area for listing participants.
- Area of Concern:** A section with checkboxes for "Reading", "Math", "Behavior", "Gifted/Talented", and "EL". There is also an "Other" label followed by a text input field.
- Intervention #1 Details:** A section with "Start Date" and "End Date" input fields, and a "Large Text Area" for providing details.

On the right side, there is a sidebar titled "Form Information" with sub-sections for "Field Activity", "Comments", and "Subscribers".
