How to Enter CICO via Student Device

1. **Students Login to eduCLIMBER to Enter Scores:**
   - Access student's "MY APP" page on I-pad and access EduClimber app.
   - Use Google to Login:
   - If your students' emails are associated through Google, students can click *Login with Google* to login to their intervention
   - Use Login Credentials to Login:
   - District ID is your district's district ID number (**ID#1526**)
   - Username is the username that was created for the intervention (**STUDENT's E-MAIL**)
   - Password is the password that was created for the intervention (**Password created for student**)
   - Once logged-in, choose to access the DPR (daily progress report)
