

Reading Intervention and Monitoring Plans (RIMPs)

Wickliffe City Schools
Parent Informational

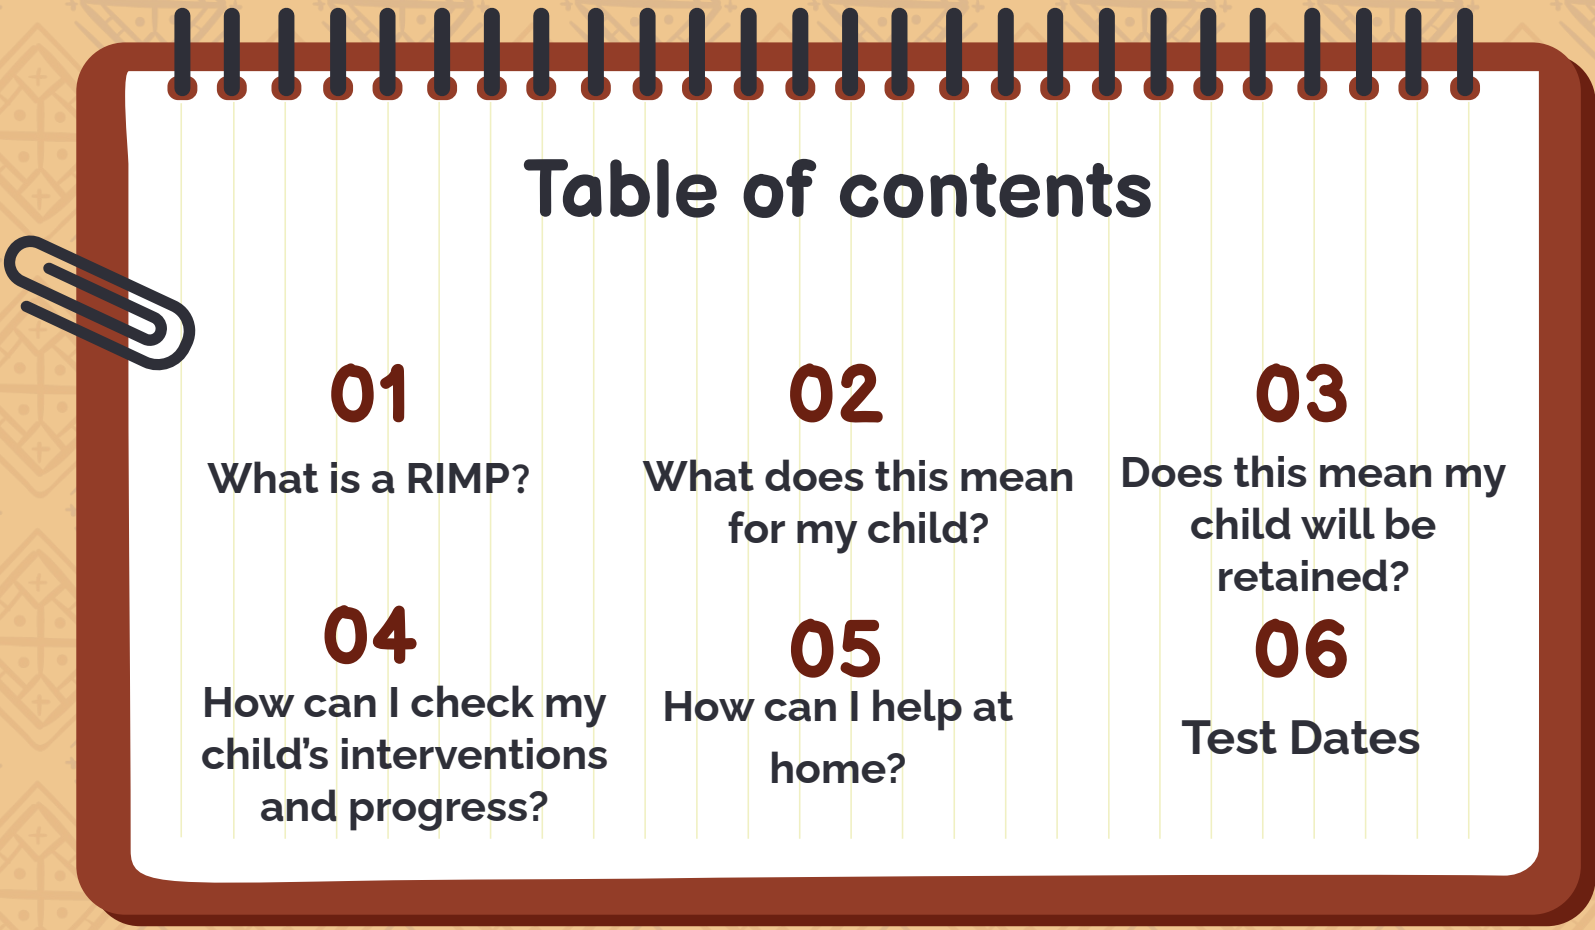

A spiral-bound notebook with a brown cover and a white page. The page has vertical yellow lines. A blue paperclip is attached to the left edge. The title 'Table of contents' is centered at the top. Below it are six items, each with a red number and a question.

Table of contents

01

What is a RIMP?

02

What does this mean
for my child?

03

Does this mean my
child will be
retained?

04

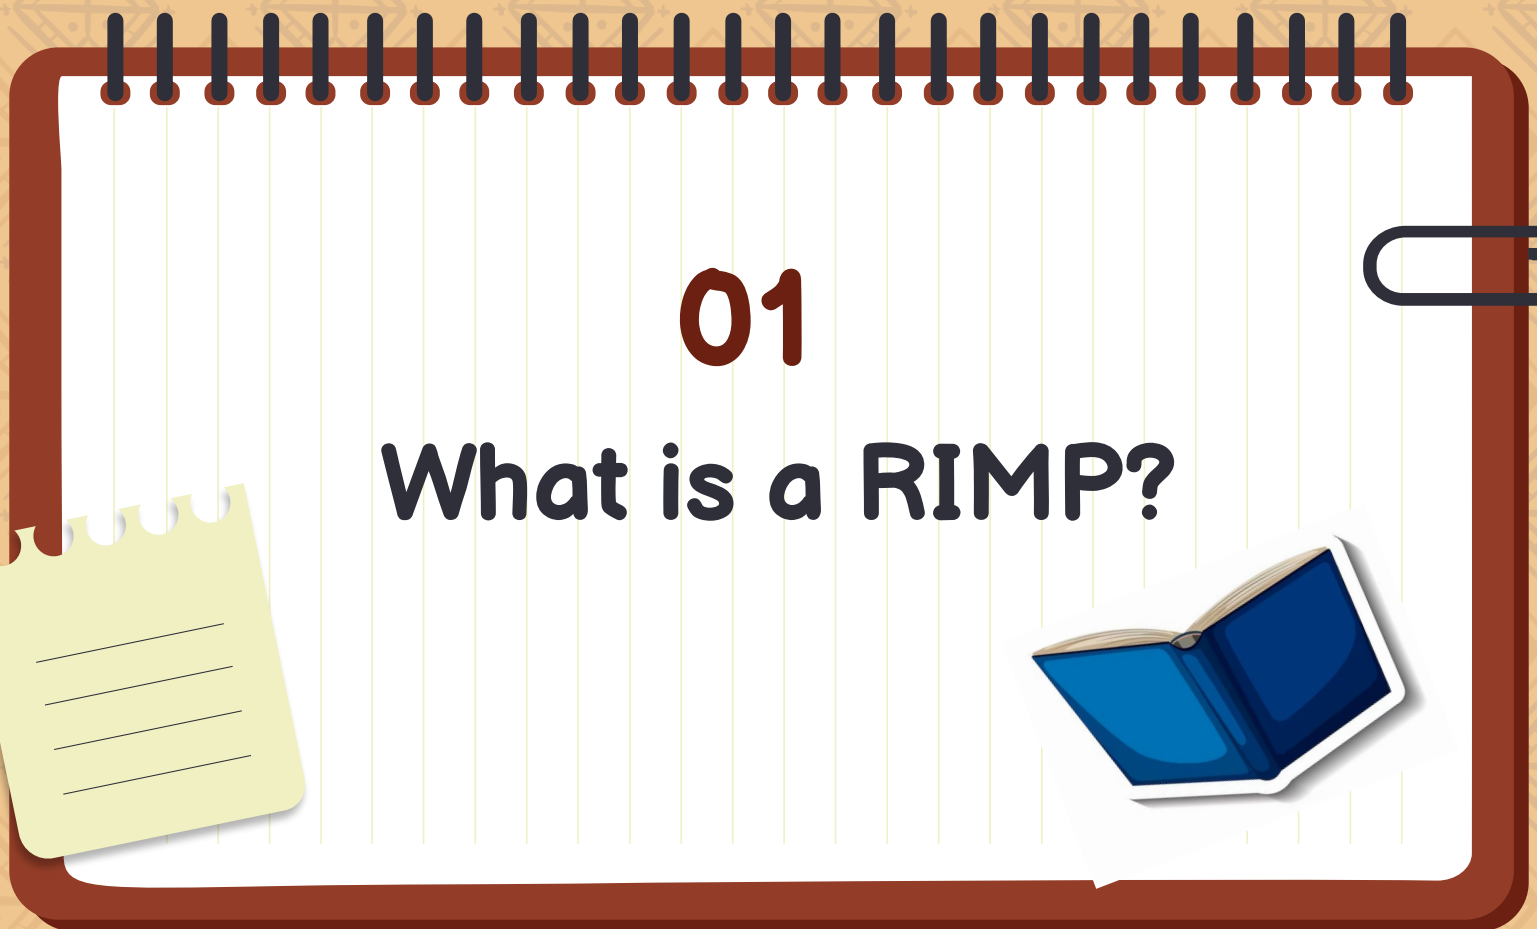

How can I check my
child's interventions
and progress?

05

How can I help at
home?

06

Test Dates

A spiral-bound notebook with a brown cover and a white page with vertical yellow lines. A black paperclip is attached to the top right corner. A yellow sticky note with horizontal lines is on the bottom left. A blue book icon is on the bottom right.

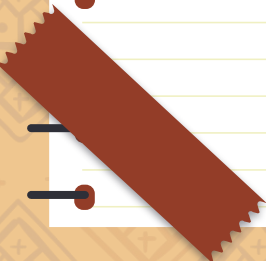

01

What is a RIMP?

Reading improvement and monitoring plans (RIMPs) allow teachers and parents to work together to understand the student's reading deficiency and outline reading instruction and support. This is a component of Ohio's Third Grade Reading Guarantee (TGRG).

—Ohio Department of Education

How are RIMPs determined?

- Every year we are required to give a reading diagnostic. We give the NWEA Assessments.
- The scores from the diagnostic lets us know what gaps in learning your child may have, and if they are on grade level.
- If your child does not attain a certain grade level score, they will be placed on a Reading Improvement and Monitoring Plan

***See next slide for scores**

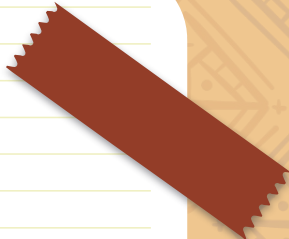

NWEA Scores that a student must reach to be considered "on track" in reading

NWEA RIT SCORES	Kindergarten	1st Grade	2nd Grade	3rd Grade	4th Grade
Fall	130	149	156	173	XX
Fall OST (3rd Grade Only)	xx	x	x	690	xx
Winter	140	153	165	183	XX
Spring	149	156	173	192	XX
OST Spring (3rd and 4th Grades Only)	XX	XX	XX	690 Or 48 On reading subscore	690

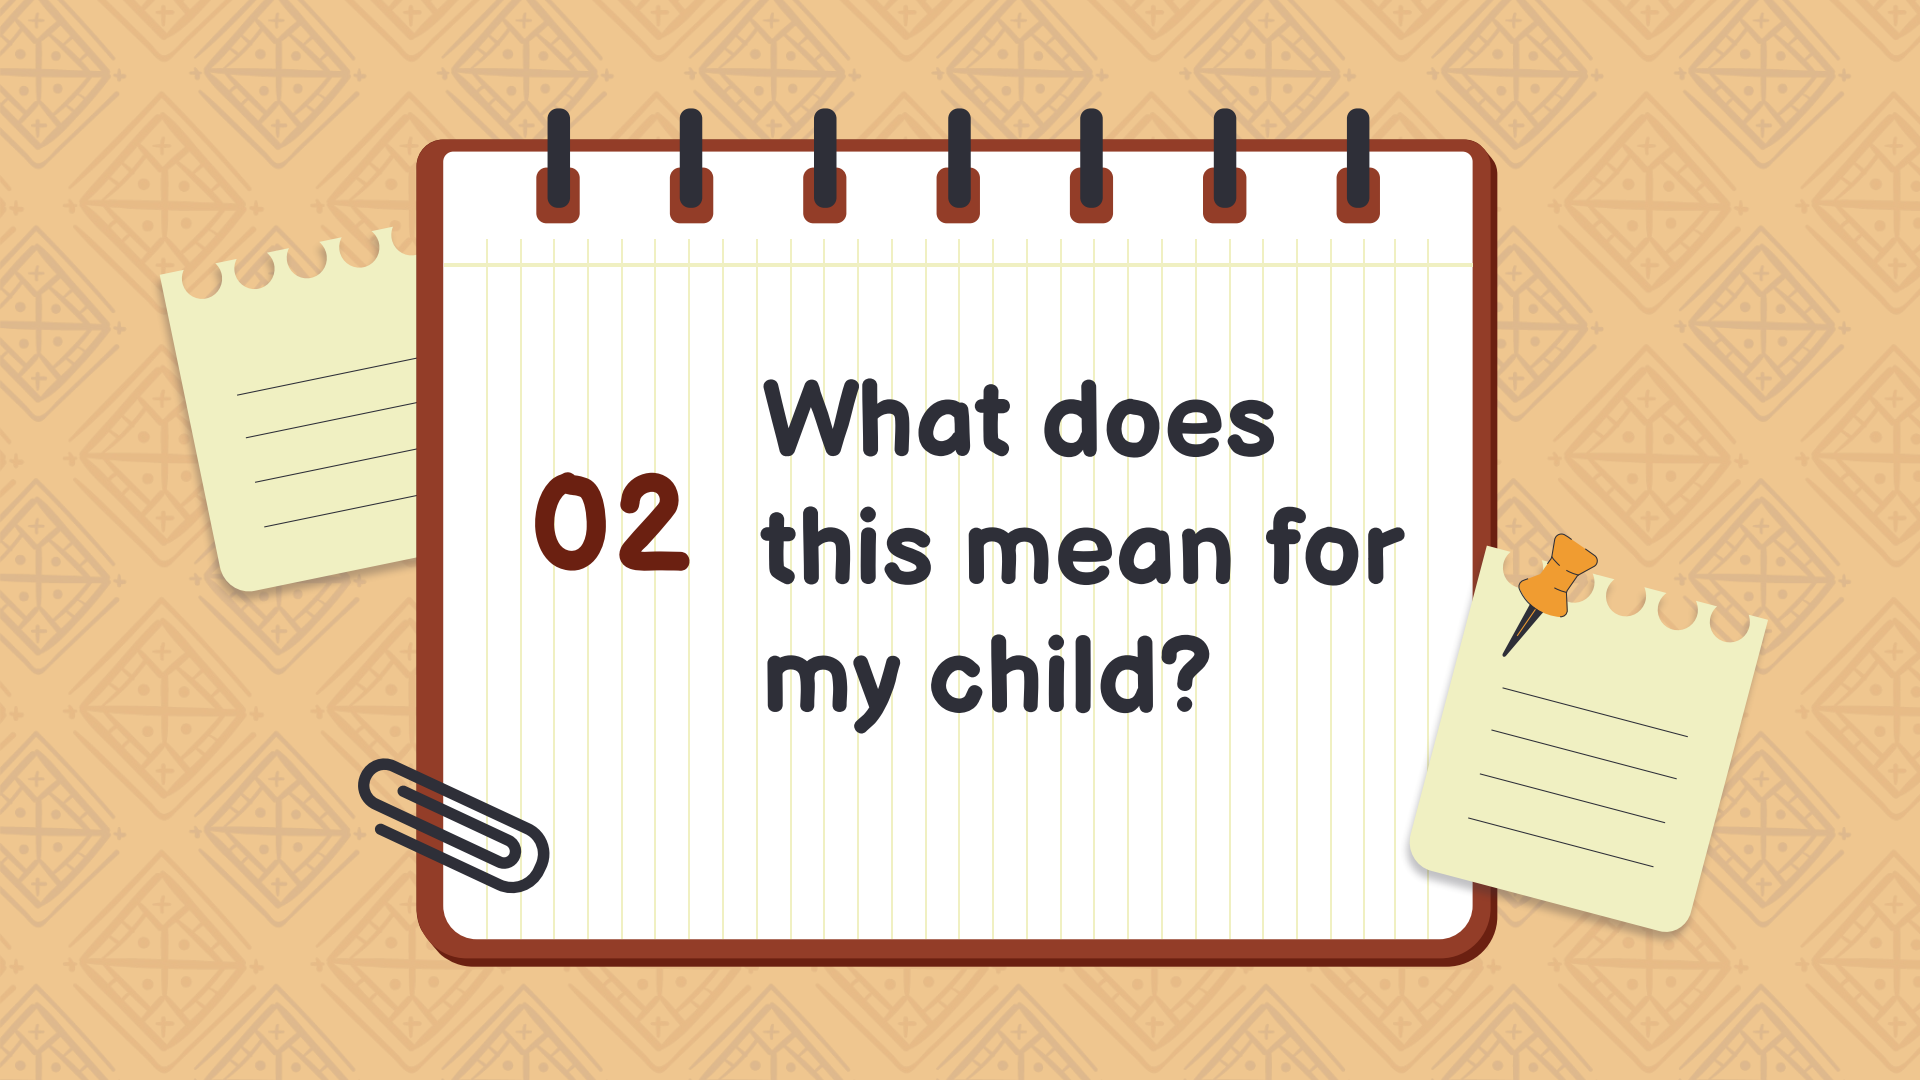

Anything below these scores means your child is "off track" in reading, and will be placed on a RIMP.

Whoa!

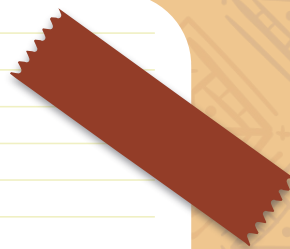

4th Grade New to RIMPs this year:

- 
- The qualification for needing a RIMP or not is strictly based on the their 3rd grade OST scores.
 - If your child had a RIMP in 3rd grade and did not meet the proficiency score of 700, they will have a RIMP again this year in 4th grade.
 - If your child did not have a RIMP in 3rd grade and did not meet the promotion score of 685, your child will have a RIMP in 4th grade.

02

**What does
this mean for
my child?**

What a RIMP details:

- The RIMP will tell you the gaps in learning your child has.

For example, a student may have deficits in phonics (using letter sounds and blending them together to sound out words).

What will happen in school?

- The teacher will work in small groups to provide interventions to help close any learning gaps.
- The teacher will monitor your child's progress while they are learning the interventions.

For example, your child may receive explicit phonics instruction 4 times a week.

03

**Does this
mean my child
will be retained
in the 3rd
grade?**

A RIMP does not mean automatic retention. Teachers are working **HARD to close any gaps in learning we see.**

Interventions

Your child is receiving interventions to close learning gaps

Multiple Opportunities

Your child has multiple times to take the diagnostic and reach the score needed to be considered "on track"

Parent Contact

If your child's teacher is not seeing improvement in reading skills and is not scoring "on track," we will contact you to discuss what this may mean for your child

04

Checking Progress

Teachers are eager to connect and work together. You can reach out to your child's teacher by:

Email

(firstname.lastname@wickliffecsd.org)

Send a letter/note

Phone call 440.801.8001

Schedule an in-person conference
