RECOMMENDED BUDGET

2025 - 2026 Budget Year

APRIL 2025

THE BOARD BUDGET COMMITTEE

Dr. Christine Snyder

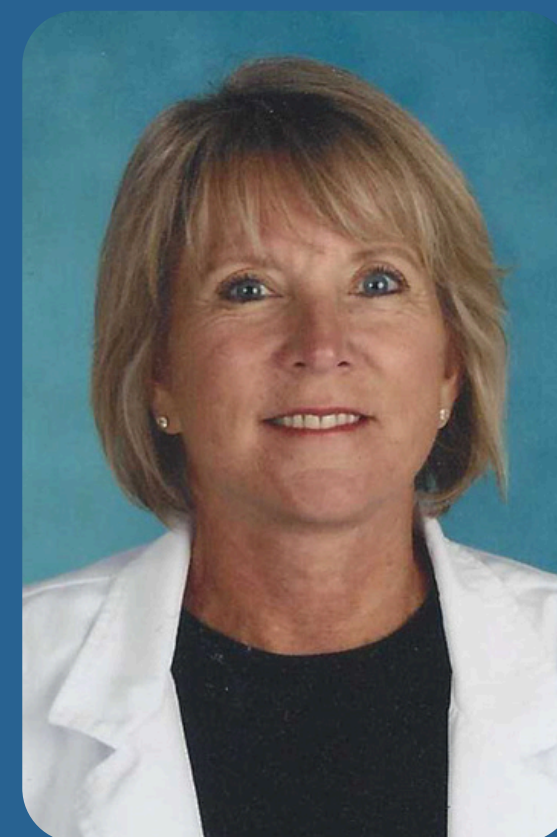

BOARD MEMBER,
FINANCE COMMITTEE CHAIR

Ms. Laura Erber

PRESIDENT

Mr. John Ciccone

BOARD MEMBER

WHAT IS A SCHOOL BUDGET?

In THEORY a school budget **is about our priorities for our students.**

In REALITY a school budget **is about money, and decisions are made with finances in mind.**

TWO SIMPLE RULES NON-NEGOTIABLES

- Tax revenues must be within cap or cap plus allowances
- Revenues must be equal to expenses.

KEEP IN MIND

Expenses can and do change during the school year while the main revenues for schools (taxes and aid) **DO NOT!**

Should expenses increase during the year, we cannot request an increase in finances, instead we must spend less in other areas (reduce staff, programs, supplies, repairs, professional development, etc.).

THE BUDGET PROCESS

- **October - December** - Begin gathering information to input to the District budget software (Genesis).
- **October - December** – Administrators, Principals, Supervisors and other District personnel enter their budget requests into the software.
- **December/January** - Budgets are reviewed by the Business Office.
- **February/March** – The budget is reviewed by the Superintendent and Board Committee Members.
- **March 11, 2025** – Initial Adoption by the Board.
- **March/April 2025** – Budget Review by the County Office (State Department of Education).
- **April 29, 2025** – Public Hearing and Final Adoption.
