

Eastside Industry Institute

June 9-12, 2025

Are you in grades 9-11 and ready to explore a potential career path in an exciting and hands-on way? The Industry Institute offers an incredible opportunity to dive deep into several industries, giving you a real perspective of what it's like to work in the field.

Gain practical insight, meet professionals, and make connections that could shape your college and career choices. Apply now for this invaluable opportunity!

Available to students at East Iberville and MSA-East. Participating students will earn \$50 per day. Transportation will be provided to each industry site.

Apply Today!

Applications are due by **April 30th**.
Participants will be notified by May 2nd.
