

OUR LAKELAND LEVY IS ON THE MAY 20 BALLOT

In November 2024, the Lakeland Levy request failed.

The Lakeland Board of Trustees decided to run the levy for \$2 million less. We are asking the Lakeland community to vote on a 2-year, \$7.52 million per year levy which **funds 20%** of the Lakeland Jt. School District's operations, including many programs and services the State of Idaho does not fund.

What does this levy fund?

This levy will be in place from July 1, 2025 - June 30, 2027

This levy isn't a new tax. It replaces the current 2-year, \$9.52 million per year levy the community passed in May 2023.

The current levy expires on June 30, 2025.

The estimated average annual cost to the taxpayer on the proposed levy is a tax of \$82.37 per \$100,000 of taxable assessed value, per year, based on current conditions. The levy will be assessed for two (2) years.
