LEVY FACTS

- Idaho school funding is based on students' attendance (ADA) and *not enrollment*.
- In 2024, LJSD had 92.4% average daily attendance. Therefore, over $2.74 million of necessary operational funding was withheld.
- Most districts in Idaho run levies because the state funding formulas do not cover operational costs.
- Safety and security programs, sports, clubs and Co-Curriculars are not funded by the state.
