Two MCHS Students Selected to Rogers Scholars Program

EDMONTON, Ky. (March 25, 2025) – Metcalfe County High School is proud to announce that two students have been selected for the 2025 Rogers Scholars Program.

HarperAnn Hurt and Madelyn-Grace Wright will attend weeklong programs at Kentucky colleges this summer that will focus on developing skills in leadership, technology, entrepreneurship, and community service.

MCHS Principal Joseph Eaton said, “We are so proud of Harper and Madelyn for their dedication to their educational pursuits and individual development. These students represent the best of Metcalfe County High School every day and will do the same at the Rogers Scholars Program.”

Rogers Scholars is the flagship youth program for The Center for Rural Development. It provides opportunities to help rising high school juniors gain the knowledge they need to become the region’s next generation of business and entrepreneurial leaders.

Students participate in a series of team-building exercises, receive hands-on instructional training from professional experts in engineering, health care, and civic engagement, and interact with nationally recognized business leaders and entrepreneurs.

Madelyn-Grace is the 16-year-old daughter of Stephen and Jennifer Wright. She will attend the first session in June at Morehead State University. HarperAnn is the 15-year-old daughter of Josh and Deena Hurt. She will attend the second session in July at Lindsey Wilson College.

More than 1,300 high school students in Southern and Eastern Kentucky have graduated from Rogers Scholars since its inception in 1998.
