Second Metcalfe Student Earns Trip to Washington

EDMONTON, Ky. (March 25, 2025) – Two students have been selected to represent Metcalfe County on the annual Electric Cooperative Youth Tour in Washington, D.C., this summer.

Tri-County Electric recently announced that Metcalfe County High School junior Callie Decker is the winner of its 2025 essay contest.

“This is such an amazing experience for Callie,” said MCHS Principal Joseph Eaton. Callie is a dedicated student committed to expanding her knowledge and seizing every opportunity to grow as a learner. Metcalfe County is being well-represented across the state and the nation.”

Callie will join Farmers RECC award winner Addison Morgan on the tour of the nation’s capital this June. They will visit with U.S. congressional members, participate in energy and grassroots government education sessions, and go sightseeing in Washington, D.C.

Earlier this month, Callie, Addison, and fellow junior Charlotte Hiller visited the Kentucky State Capitol in Frankfort as part of the Electric Cooperative Youth Tour.
