FAMILY SIZE

Your family size is based on tax information from the IRS. If you linked your FAFSA to IRS records, your family size was automatically pulled from your (or your parent's) 2023 federal tax return.

Please select the option that best describes your situation:

- ☐ Option 1) I imported my family size from the IRS and did not make any manual adjustments. (Skip to Signatures)
- ☐ Option 2) I manually entered my family size on the FAFSA form. (Complete the Family Members Section Below)

FAMILY MEMBERS – COMPLETE ONLY IF YOU SELECTED OPTION 2 ABOVE

List the **children or other dependents** who currently live with and will receive more than half of their support from the student (or, if the student is dependent, the parent) between July 1, 2025, and June 30, 2026.

 **Do not include the student, the student's spouse, the parent, or other parent in the number reported, as those individuals are already included in the family size calculation.**
