### **We are issuing this addendum to address the following:**

Please find additional information and/or changes to specifications pertaining to **RFP# 26-010 Pharmacy Benefit Management (PBM)**. Please be advised that the information provided in Addendum Two is now part of the RFP package.

### **Questions/Responses**

1. The file is missing: NDC, Quantity, Days Supply, Date of Service, Pharmacy NPI, Cost, etc. Do you think we'll get any additional data? **The information posted is what was provided by TRS Active Care, unfortunately, TRS does not provide detailed claims information.** It doesn't include what STISD paid, so we aren't able to show savings because we don't know that amount. **The posted claims information does include STISD pharmacy paid claims.**

Please, sign, date, and submit this addendum with your proposal response. We look forward to hearing from you.

Thank you.
