Graduate courses require several live video class sessions during the term and the required work is more advanced so students must be prepared for a more complex curriculum and requirements.

All students are allowed to cross-enroll in a maximum of two graduate courses. GPS students are able to cross-enroll into M.Ed., MSCJ, and online MBA courses, and will be charged the undergraduate tuition rate. Boston Campus students may also enroll in online MA in Psychology courses in the Fall term only. These restructions are related to semester begin and end dates, which must align with primary program of enrollment.

Processed by Registrar: _____ Date_____

Upon approval, Registrar will enroll the student in MyFisher and add the activity tracking code "CROSSENROLL"
