ADDENDUM NO. 1 TO RFP NO. 2425-BUS04

MOVING SERVICES FOR SCHOOL CONSOLIDATION

Below are responses to questions presented by the designated deadline of April 14th, 2025.

Q & A

Q: Can we provide an hourly rate for the moving services?
Or it has to be fixed fee price?

A: *We would like to see a flat rate for the move.*

Q: For Phase 1 of the project, since we are only moving boxes from closing schools to open schools, will there be a schedule provided by the district of which boxes will go to each school or will we be moving the boxes all at once?

A: *There will be boxes and items going from one site to more than one site. I would let you make the determination what would work best for your team whether you move them all or by each school.*

Q: Will any items from the closing schools be relocated to storage facilities, or only to other school sites?

A: *All items will be moved to schools. No storage facilities.*

Q: Would you like to see a price per school, a lump sum price per phase based on the schedule (Phase 1-4) provided, or broken down by labor, trucks, and materials?

A: *Flat rate per school would be best.*

Q: Will the move team be responsible for disconnecting/reconnecting the technology equipment?

A: *Your team will not be responsible for connecting or disconnecting devices.*

Q: Will movers be expected to work around any summer school programs or time-restricted site access?

A: *The four phases are divided so as to not disturb summer classes. Time constraints will be flexible. If you would need to work late we can make some accommodations as long as we do not go past 8:00 pm.*
