HELPFUL EMPLOYEE OF THE MONTH

We are pleased to present you with the selection of the Helpful Employee of the Month.

It is our pleasure to announce Amanda Handziak as our Helpful Employee of the Month for April 2025.

Sandy Sawyer, Principal of Malcolm High School, is pleased to recommend Amanda Handziak, Native American Advisor, as our Helpful Employee of the Month.

Ms. Handziak holds a bachelor's degree from Michigan State University in Fishers/Science and Limnology and is in her second year at Malcolm High School. She consistently goes above and beyond in her role, always

lending a helping hand when needed. She is very instrumental in making sure our students have everything they need in our Malcolm Market.

Ms. Handziak serves as a bridge for our students and families, providing outreach through mentorship, advocacy, and cultural support. She effectively empowers students to succeed both academically and personally. Whether helping a student through a crisis or collaborating on a new project, her exceptional dedication and unwavering support to our students has a profound impact on the students she works with.

In her spare time Amanda enjoys the outdoors, foraging & gathering, gardening and spending time with her family on Sugar Island.

In recognition of her consistent hard work, professionalism, and positive impact at Malcolm, she will receive \$50 in Chamber Bucks from our sponsors Parker Ace Hardware, the helpful place, and Doug Laprade Agency MEEMIC Insurance.
