# CCA Transportation

- Unit cost bid with Durham provides the following daily rates:
  - Full size bus daily rate - \$707.72

- The unit bid provides that the daily rate is the minimum amount charged for routes that extend less than 7 hours, as it would in this case for CCA classes.
- If current drivers are assigned routes over 8.5 hours, the hourly rate increases from \$45.82 to \$68.74
