Dear Parents,

We enjoyed our visit with Mr. G this week. Mr. G loves to garden, so he taught us all he knows about plants. He reminded us that plants are living things that need air, water, and sun to grow. We read several non-fiction books about plants. We planted seeds, labeled the parts of a flower, and easel painted flowers.

Everyday Words" used this week were: *I, like, to, do, you, see, and, are, my, made, is, there, me, a, on, they, go, when, have, look., of, no, this, and that.* We will continue to review daily all the "Everyday Words" introduced so far. Not every child is ready to learn these words, so please follow your child's lead. Pointing these words out while reading to your child encourages his/her awareness of them. **We read a new book each Tuesday so please return the Book Buddy Bag on Monday each week along with the library book.**

Show & Tell for the week of April 28th is student's choice Please remember that only one item may be brought to share, and the item must fit in the provided Show and Tell bag.

REMINDERS:

- Please return Library books **and** Book Buddy bags **on Monday of each week.**
- Please remove all work from the folder **and** initial the behavior calendar **daily.**
- Please attach all correspondence to the clip in the school bag.
- There should be a full change of clothes in your child's school bag daily, including socks.
