Dr. Ayers shared the topic of the dinner meeting: 1) Board Retreat Follow Up

Chairman Durgin and the board discussed the following:

Process for pulling consent agenda items: Any board member may remove an item from the consent agenda with a motion, then it needs a second to become a stand-alone item. There can be a discussion and then a vote for the pulled item. Specific personnel cannot be mentioned or discussed in open sessions to avoid confidentiality violations, including referring to specific names and roles in schools, buildings, etc.

Chairman Durgin will formally appoint trustees to the following at the regular board meeting: Policy Committee, BOCES (Board of Cooperative Education Services), CCHS Planning Committee, and Wright Jr/Sr High Field Turf Committee.

The board is invited to the annual Book Battle on April 24, 6:00 PM, at Twin Spruce Junior High.

The Select Committee on School Finance Recalibration is established, its meeting schedule is set, and information is available on the state legislature website.

The proposed changes for the State of Wyoming graduation requirements (profile of a graduate) are on the state website, and there is a link in the WSBA newsletter.

The next Budget Committee meeting is April 16.

Student achievement is recognized with great pride at board meetings. The board will begin including individual champions, salutatorians, valedictorians, etc. Mr. Eisenhauer will form a committee to further enhance our staff recognition efforts and bring back valuable insights to the board.

Mr. Williams shared that the Teachers of the Year who presented at the board retreat encouraged board members and administration to spend time in schools. Mr. Williams encouraged board members to call the principal and set times to visit with staff who would be comfortable with it, because we have phenomenal teachers. The reading and technology in our schools is incredible. Mrs. Durgin shared that adopt-a-building assignments include all buildings, and we could add guidelines and ideas to create structure if needed. Mr. Albin shared that the schools are doing great things, and visiting them establishes trust. Mr. Christensen shared that it also fosters a positive culture.

The meeting adjourned at 5:11 PM, with no action taken by the Board.
