

Step 4

The final step is setting up your Schoology Parent Portal, the platform used for student learning and communication. All new parents are required to create a Schoology Parent Portal account by fall.

Schoology makes it easy for parents to stay involved in their student's education. The **Schoology Parent Portal** gives you access to:

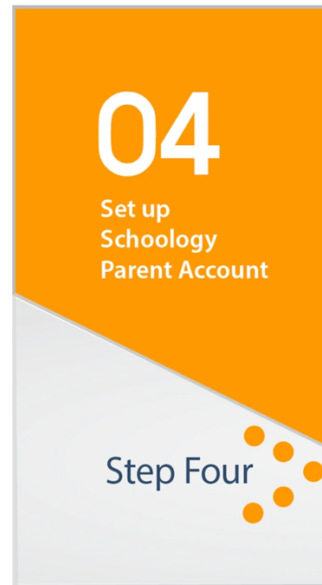

- The classes your student is enrolled in
- Your student's upcoming assignments
- School and class announcements
- Parent/Student Directories

Note: Parents will continue accessing the **PowerSchool Parent Portal** for student attendance, annual school forms, student grades and report cards.

How to Set Up Your Schoology Parent Account

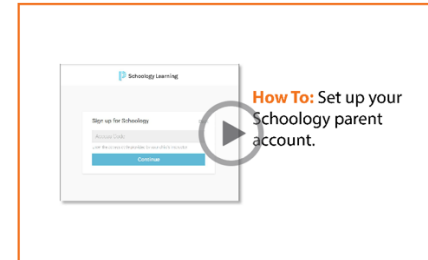

After completing your Registration Forms, you'll receive a unique Schoology Parent Access Code in your email along with a specific due date.. Follow these steps to create your account:

1. Click the blue “**Create my account**” button in **Step 04** of the New Parent Checklist.
2. Select “**Parent**” then enter your **unique Access Code** on the following screen
3. Click “**Continue**” to complete the setup.

Set Up Schoology Parent Account [Required For Fall 2025]
