

LAUNCHING OUR FOOD RECYCLING PROGRAM

Did you know at school, a lot of good food gets thrown away every day—but we can help by sorting and recycling the right way!

LET'S GET SCRAPPY!

Help everyone use our new food recycling stations the right way!

WHAT YOU'LL NEED:

Name Badges

Phone, Camera, or Computer

Ambassadors

PRO TIP:

Canva

Want to make awesome posters, badges, or edit your video? Use Canva — it's fun, easy, and free through your school apps account!

1

Meet the Green Team Ambassadors!

- These are our food recycling heroes!
- They'll be at the bins during busy lunch times.
- Ambassadors will help you sort your food the right way and answer any questions.
- They might even give a quick demo to show how it works!

2

Spread the Word!

- Make a cool video or a social media post to show off our new food stations.
- Share the news in the morning announcements so everyone hears about it!
- Add some fun—like a school-wide challenge:
 - Can we reduce food waste by 10% this month?

Every peel, crust, and leftover counts! Let's make our school greener—together!

☀️ LET'S GO, GREEN TEAM! ☀️
