This Power of Attorney is made and executed pursuant to and by authority of the following By-laws and Authorizations of The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company which resolutions are now in full force and effect reading as follows:

ARTICLE IV - OFFICERS: Section 12. Power of Attorney.

Any officer or other official of the Corporation authorized for that purpose in writing by the Chairman or the President, and subject to such limitation as the Chairman or the President may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Corporation to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact, subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Corporation by their signature and execution of any such instruments and to attach thereto the seal of the Corporation. When so executed, such instruments shall be as binding as if signed by the President and attested to by the Secretary. Any power or authority granted to any representative or attorney-in-fact under the provisions of this article may be revoked at any time by the Board, the Chairman, the President or by the officer or officers granting such power or authority.

ARTICLE XIII - Execution of Contracts: Section 5. Surety Bonds and Undertakings.

Any officer of the Company authorized for that purpose in writing by the chairman or the president, and subject to such limitations as the chairman or the president may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Company by their signature and execution of any such instruments and to attach thereto the seal of the Company. When so executed such instruments shall be as binding as if signed by the president and attested by the secretary.

Certificate of Designation - The President of the Company, acting pursuant to the Bylaws of the Company, authorizes David M. Carey, Assistant Secretary to appoint such attorneys-in-fact as may be necessary to act on behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations.

Authorization - By unanimous consent of the Company's Board of Directors, the Company consents that facsimile or mechanically reproduced signature of any assistant secretary of the Company, wherever appearing upon a certified copy of any power of attorney issued by the Company in connection with surety bonds, shall be valid and binding upon the Company with the same force and effect as though manually affixed.

INSTRUCTIONS FOR COMPLETING THIS FORM

This form complies with current California statutes regarding notary wording and, if needed, should be completed and attached to the document. Acknowledgments from other states may be completed for documents being sent to that state so long as the wording does not require the California notary to violate California notary law.

- State and County information must be the State and County where the document signer(s) personally appeared before the notary public for acknowledgment.
- Date of notarization must be the date that the signer(s) personally appeared which must also be the same date the acknowledgment is completed.
- The notary public must print his or her name as it appears within his or her commission followed by a comma and then your title (notary public).
- Print the name(s) of document signer(s) who personally appear at the time of notarization.
- Indicate the correct singular or plural forms by crossing off incorrect forms (i.e. ~~he~~/she/~~they~~, is /~~are~~) or circling the correct forms. Failure to correctly indicate this information may lead to rejection of document recording.
- The notary seal impression must be clear and photographically reproducible. Impression must not cover text or lines. If seal impression smudges, re-seal if a sufficient area permits, otherwise complete a different acknowledgment form.
- Signature of the notary public must match the signature on file with the office of the county clerk.
 - ❖ Additional information is not required but could help to ensure this acknowledgment is not misused or attached to a different document.
 - ❖ Indicate title or type of attached document, number of pages and date.
 - ❖ Indicate the capacity claimed by the signer. If the claimed capacity is a corporate officer, indicate the title (i.e. CEO, CFO, Secretary).
- Securely attach this document to the signed document with a staple.

BID TIME: 3:30 PM

Bidder's Statement of Financial Responsibility, Technical Ability & Experience

KASA Construction Inc. would like to thank the selection committee for their thorough evaluation and consideration of our proposal in identifying the most qualified Offeror for the subject project. KASA Construction, Inc. carries an A, B, C-27 and C-10 licenses and employs both certified and licensed QSD's/QSP's and pesticide applicators, respectively in-house. Furthermore, KASA Construction, Inc. has successfully completed a multitude of public works projects ranging from as low as \$100,000 and in excess of \$5,000,000 for public entities such as Caltrans, San Bernardino Associated Governments, United States Army Corps of Engineers and numerous Cities across southern California as well as real estate developers such as Lewis Community Developers and Stratham Communities. It is with great satisfaction that I proclaim that each and every project taken on by our firm has been completed to the Agency's satisfaction within budget, in compliance with all labor laws and regulations and on schedule, if not sooner. To date, no arbitration has been made necessary nor have we become subjected to liquidated damages on any given project executed by our firm. KASA Construction Inc. is very financially stable and is backed by our term relationships with our Bond Agents, Surety companies, Bankers and a large line of credit provided by KASA's banking institution which has never been used since KASA's existence.

How the Scope of Work and Services will be accomplished: Our excellent history in project execution and delivery is attributable to our thorough review of the contract documents, understanding of the full scope of work and establishment of the project's execution approach prior to furnishing any bid coupled with the expedited establishment of project controls, resource planning, procurement strategy and implementation following award of any project. As it pertains to the subject project, the enclosed proposal is based on our thorough review of the contract documents and understanding of the scope of work. KASA's project management staff will request submittals for all materials being incorporated into the work and submit for the Agency's review and approval immediately following the award of contract to ensure that any delays attributable to material procurement are entirely avoided; orders are placed immediately following receipt of approved submittals and scheduled in accordance with the construction schedule which is submitted to the Agency prior to commencement of construction. The project is staffed according to the activities being performed and is supervised by a full-time on-site Superintendent, the off-site General Superintendent and the Project Manager. Prior to mobilization, KASA will take photographs and video record of all existing onsite conditions for the protection of all involved parties.

How unanticipated situations will be managed: There are circumstances wherein an unanticipated situation or unforeseen condition may inadvertently and inevitably pose a time and/or cost impact on a given construction project. The proper planning and execution of construction may serve to reduce the potential of being exposed to unanticipated situations, however the prompt notification and proper assessment of, as well as the timely action to any unanticipated situation or unforeseen condition is the necessary to mitigate any time and/or cost impacts posed by any given circumstance. Unanticipated situations and unforeseen conditions are immediately brought to the Agency's attention upon discovery. In attempt to expedite resolution, the conditions are assessed by KASA and discussed with the Agency prior to taking any action. Once resolution is agreed upon or made, it is solidified in writing by and between the Agency and KASA, at which point action is taken as necessary to continue with construction; any resolution that can be made without having a time or cost impact on the project is favorable to both parties and preferred by KASA.

We look forward to the successful execution and delivery of the Eastbluff Elementary School Landscaping Phase 1 Project to your Agency. Should you have any questions or comments, do not hesitate to contact me at any time.

Sincerely,

A handwritten signature in blue ink, appearing to read "Sam Kasbar", is written over the typed name and title.

ASBESTOS-FREE MATERIALS CERTIFICATION

The undersigned declares that he or she is the person who executed the bid for the **Eastbluff Elementary School Landscaping Phase 1, Bid No. 130-25** (hereinafter referred to as the "Project"), and submitted it to the **NEWPORT-MESA UNIFIED SCHOOL DISTRICT** (hereinafter referred to as the "District") on behalf of KASA Construction, Inc. (hereinafter referred to as the "Contractor").

To the best of my knowledge, information and belief, in completing the Contractor's Work for the Project, no material furnished, installed or incorporated into the Project will contain, or in itself be composed of, any materials listed by the federal or state EPA or federal or state health agencies as a hazardous material.

Any disputes involving the question of whether or not material installed with asbestos-containing equipment is settled by electron microscopy; the cost of any such tests shall be paid by the Contractor.

All work or materials installed by the Contractor which is found to contain asbestos, or work or material installed with asbestos-containing equipment, will be immediately rejected and this work shall be removed and replaced by the Contractor at no additional cost to the District.

Decontamination and removal of work found to contain asbestos, or work installed with asbestos-containing equipment shall be done only under supervision of a qualified consultant, knowledgeable in the field of asbestos abatement and accredited by the Environmental Protection Agency.

The ASBESTOS REMOVAL CONTRACTOR shall be an EPA accredited contractor qualified in the removal of asbestos and shall be chosen and approved by the Asbestos Consultant who shall have sole discretion and final determination in this matter.

The asbestos consultant shall be chosen and approved by the Architect or the District who shall have sole discretion and final determination in this matter. The work will be not accepted until asbestos contamination is reduced to levels deemed acceptable by the Asbestos Consultant.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

DRUG-FREE WORKPLACE CERTIFICATION

This Drug-Free Workplace Certification form is part of the Contract made by and between the **NEWPORT-MESA UNIFIED SCHOOL DISTRICT** (hereinafter referred to as the "District") and

KASA Construction, Inc.

(hereinafter referred to as the "Contractor") for the **Eastbluff Elementary School Landscaping Phase 1, Bid No. 130-25** Project (hereinafter referred to as the "Project"). This form is required from all successful bidders pursuant to the Drug-Free Workplace Act of 1990 (Government Code Section 8350 et seq.) The Drug-Free Workplace Act of 1990 requires that every person or organization awarded a contract or grant for procurement of any property or service from any State agency must certify that it will provide a drug-free workplace by doing certain specified acts. In addition, the Act provides that each contract or grant awarded by a State agency may be subject to suspension of payments or termination, and the contractor or grantee may be subject to debarment from future contracting, if the contracting agency determines that specified acts have occurred.

Pursuant to Government Code Section 8355, every person or organization awarded a contract or grant from a State agency shall certify that it will provide a drug-free workplace by doing all of the following:

- A. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensation, possession or use of a controlled substance is prohibited in their workplace and specifying actions which will be taken against employees for violations of the prohibition.
- B. Establishing a drug-free awareness program to inform employees about all of the following:
 - 1. The dangers of drug abuse in the workplace.
 - 2. The person's or organization's policy of maintaining a drug-free workplace.
 - 3. The availability of drug counseling, rehabilitation and employee-assistance programs; and
 - 4. The penalties that may be imposed upon employees for drug abuse violations.
- C. Requiring that each employee engaged in the performance of the contract or grant be given a copy of the statement required by subdivision "A," and that, as a condition of employment on the contract or grant, the employee agrees to abide by the terms of the statement.

I, the undersigned, agree to fulfill the terms and requirements of the Drug-Free Workplace Act as it now exists or may hereinafter be amended. Particularly, I shall abide by Government Code Section 8355 when performing the Contract for the Project by:

- A. Publishing a statement notifying employees concerning the prohibition of controlled substance at my workplace.

- B. Establishing a drug-free awareness program; and
- C. Requiring that each employee engaged in the performance of the contract be given a copy of the statement required by Section 8355(a) and agree to abide by the terms of that statement.

I also understand that if the District determines that I have either: (a) made a false certification herein; or (b) violated this certification by failing to carry out the requirements of Section 8355, the Contract awarded herein is subject to termination, suspension of payments, or both. I further understand that if I violate the terms of the Drug-Free Workplace Act of 1990, I may be subject to debarment in accordance with the requirements of the Act.

I acknowledge that I am aware of the provisions of Government Code Section 8350 et seq., and hereby certify that I will adhere to the requirements of the Drug-Free Workplace Act of 1990.

Mr. Sam Kasbar
Vice President
KASA Construction Inc.
15148 Sierra Bonita Lane
Chino, CA 91710

Dear Mr. Kasbar,

I am writing to highly recommend KASA Construction Inc. for their exceptional construction services. KASA recently completed the Alondra Gateway Park project in Compton, CA, where Skanska oversaw the contractor as construction manager and acted as the owner's representative for the San Gabriel and Lower Los Angeles Rivers and Mountains Conservancy (RMC).

The Alondra Gateway Park project is a 0.5-acre multi-benefit passive park along Compton Creek in the City of Compton. The park features a variety of amenities including a picnic area, seating area, nature play, shade trees, bicycle parking, exercise areas, interpretive elements, a community, and entry plaza. KASA Construction played a pivotal role in bringing this vision to life.

Throughout the project, KASA demonstrated a high level of professionalism and expertise. Their team was consistently communicative, ensuring that all stakeholders were kept informed and that any issues were promptly addressed. Their commitment to quality and attention to detail was evident in every aspect of their work. Importantly, KASA completed the project without any safety issues and within the contractual schedule.

KASA's ability to manage the project efficiently and effectively, coupled with their dedication to safety, contributed significantly to its success. Their dedication to meeting deadlines and staying within budget was commendable. The end result is a beautiful, functional park that will serve the community for years to come.

I have no hesitation in recommending KASA Construction Inc. for any future projects. Their professionalism, communication skills, adherence to safety standards, and quality of work make them an excellent choice for any construction endeavor.

Subject: Letter of Recommendation

On behalf of the Jurupa Community Services District, I am pleased to write this letter of recommendation for KASA Construction, Inc. following their exemplary work on the Mountain View Park Tennis Courts Construction Project.

The project at Mountain View Park involved the construction of two new lighted tennis courts to match the existing two courts while the park remained open to the public. The work included the demolition of existing park landscaping, grading and the construction of two new courts, site furnishings, concrete pedestrian walkways, irrigation, and landscaping.

Throughout this project, KASA demonstrated exceptional quality of work. Their attention to detail on all aspects of the construction process was evident in the final product, which exceeded our expectations. The courts were constructed with the highest standards of craftsmanship, ensuring durability and a professional finish that will serve our community for many years.

Professionalism was a hallmark of KASA's approach from inception to completion. Their team maintained open lines of communication, keeping us informed of progress, addressing concerns promptly, and providing solutions efficiently. One of the most impressive aspects of KASA's performance was their ability to deliver the finished courts well before the expected completion date. This not only allowed our community to enjoy the new facilities sooner than anticipated but also underscored KASA Construction, Inc.'s commitment to excellence and efficiency.

I am confident that KASA Construction, Inc. will bring the same level of dedication, expertise, and professionalism to any future projects. Their commitment to quality, timely completion, and client satisfaction makes them an ideal choice for any construction needs. Our experience working with KASA has been nothing short of outstanding, and I highly recommend them for any construction projects.

Please feel free to contact me at 951-727-3524 or slawson@jcsd.us if you require any further information or would like to discuss KASA's qualifications in more detail.

Sincerely,

Project: Merced Avenue Linear Park and Water Line Improvement Project

On behalf of the City of El Monte, I extend our sincere appreciation to KASA Construction, Inc. for their exceptional performance in successfully completing the Merced Avenue Linear Park and Water Line Improvement Project.

The Merced Avenue Linear Park and Water Line Improvement Project, with an estimated value of \$3.5 million, encompasses the transformation of a residential street in El Monte into a vibrant linear park located in the center median. This comprehensive project includes the installation of naturalized play areas, solar lights, tables, benches, decomposed granite pathways, fencing, and water line replacement, providing residents with a safe and inclusive space for recreation and social interaction.

KASA Construction's field and management staff prioritized safety and quality throughout the project. KASA Construction accomplished the job with excellence, exceeding the City of El Monte's expectations without sacrificing the quality of work. Their commitment to efficiency, professionalism, and cooperation was evident in every phase of this project, ultimately resulting in the completion of the civil improvements ahead of schedule.

It is with great pleasure that I recommend KASA Construction, Inc. to any organization seeking a General Contractor who is efficient, proactive, and dependable in all aspects of the construction process. We will not hesitate to recommend KASA Construction for future projects, and we extend our gratitude for their outstanding work on the Merced Avenue Linear Park and Water Line Improvement Project.

Garden Grove Boulevard Complete Street Project

To Whom It May Concern:

KASA Construction was awarded a contract for the construction of Garden Grove Boulevard Complete Street in the City of Westminster, which was completed in Summer 2023. The project amount was \$5,606,982.

The work consists of improvements on three (3) arterials streets which are Garden Grove Boulevard from the State Route 22 On-ramp at Valley View Boulevard to State Route 22 Off-ramp at Goldenwest Street; Edwards Street from Trask Avenue to Garden Grove Boulevard; and Trask Avenue from Edwards Street to Hoover Street. The scope of work include reducing vehicle travel lanes from 4 to 2 to create a separate paved bike lanes on Garden Grove Boulevard and striped bike lanes on Edwards Street and Trask Avenue, construction of new landscaped median with a bioretention swale on Garden Grove Boulevard, slurry seal, roadway excavation, 2" overlay, pavement crack sealing, irrigation, stamped concrete, traffic control, pavement marking, illuminated pedestrian cross walks, traffic signal modifications, drainage structures, striping and signs.

Their dedication to the project was a major factor in the project being completed on schedule. The team was diligent in all communication efforts, attention to detail, providing a safe environment for both KASA's crew and the public. The site was kept clean both during working hours and at the end of each day to the City's satisfaction.

KASA Construction is highly recommended, as their staff would be an excellent asset to any City or agency. Should you have any questions, please feel free to contact me at (714) 548-3464.

Subject: Letter of Recommendation

Dear Mr. Kasbar,

On behalf of the City of San Fernando, I would like to thank you and your Team at KASA Construction for your firm's efforts in completing the Layne Park Revitalization Project.

This project consisted of the renovation of an existing park, including but not limited to a new playground, rubber surfacing, new soccer field, and half basketball court, in addition to various other site furnishings. It also included concrete and DG walking areas, bio-retention creeks, and landscaping & irrigation.

At time of bid, the project exceeded the projected cost but KASA, with their knowledge and expertise, along with the Landscape Architect and City officials were able to help guide a path forward with savings to the City so the project could proceed. KASA demonstrated respect, professionalism, honesty, and diligence while working closely with the City Staff which resulted in a successful project.

KASA provided products and services with consideration of safety and quality completing the required work. When issues arose, solutions were developed and ultimately resolved with the desire to maintain its business relationship with the City of San Fernando. Your firm's efforts and willingness to work together as a team was sincerely appreciated.

We are excited that the work is now completed and we have a viable space for the citizens of San Fernando to continue to convene and play. We appreciate the collaboration working with KASA Construction Inc.

Re: Letter of Recommendation
PENTA Building Group – Secure Perimeter Fence Project

To Whom It May Concern,

On behalf of PENTA Building Group, I extend our sincere appreciation to the exceptional team at KASA Construction Inc. for their outstanding performance in successfully completing the Secure Perimeter Fence project. Your unwavering commitment to excellence and your remarkable ability to adapt to challenges have been truly impressive.

The Secure Perimeter Fence project was not your typical fence installation; it represented a complex undertaking with specific project components and qualities that demanded the utmost dedication and expertise. Your team executed the project with exceptional professionalism and unwavering attention to detail, ensuring that every aspect of the project met the rigorous standards set by the Owner, San Manuel Band of Mission Indians.

Initially a \$7.3 million contract with a 12-month duration, this project expanded with the addition of \$1.2 million in Extra Work. Furthermore, once under construction and at the Owner's request, the project schedule was accelerated by several months. Through your exceptional adaptability and commitment to excellence, KASA not only completed the project on time but also seamlessly incorporated the additional scope.

Speaking to the scale and complexity of the project, it involved the construction of over a mile of custom fence to secure Tribal lands from public access and trespass. This fence spanned a diverse range of landscapes, including culturally and biologically sensitive areas, steep elevations, drainages, and retaining walls, covering both public and Tribal-owned properties.

KASA demonstrated exceptional prowess in managing global material sourcing to procure the fence components from South Africa, a considerable distance away. This effort underscored your commitment to meeting project specifications and your willingness to go above and beyond to deliver quality results. Given the nature of the project, which required a construction presence along the entire Tribal perimeter, it was inherently sensitive, involving the security and well-being of residents. This demanded a high level of professionalism and discretion, qualities that your team exhibited commendably and that provided reassurance to our community.

PENTA

The PENTA Building Group

Throughout the duration of the Secure Perimeter Fence Project, KASA demonstrated unwavering dedication to safety, quality, and timeliness. Any issues that arose were promptly and effectively addressed, ensuring a seamless project execution. Your team's coordination and collaboration with our PENTA team were exemplary, fostering a productive and respectful working relationship.

In conclusion, it is with great pleasure that I wholeheartedly recommend KASA Construction Inc. to any organization seeking a proficient, determined contractor that upholds the highest possible standards and executes projects in a timely and organized fashion. Your company's proven track record of excellence and your unwavering commitment to delivering exceptional results truly set you apart in the construction industry.

Once again, we extend our deepest appreciation for your outstanding work on the Secure Perimeter Fence Project. We eagerly anticipate the opportunity to collaborate with KASA on future projects and to continue building upon our successful partnership.

Letter of Recommendation

Dear Mr. Kasbar,

On behalf of the City of Monrovia, I would like to thank you and your Team at KASA Construction for your efforts in completing the Lucinda Garcia Park Improvement Project. This project consisted of the renovation of an existing park which includes the installation of two new playgrounds, rubberized surfacing, exercise equipment, in addition to various other site furnishings such as block walls, concrete walking trails with lights, landscape and irrigation.

KASA completed the project without any safety related issues and completed the project within the specified project time frame. When issues arose, solutions were provided and ultimately resolved.

The City of Monrovia recently filed the Notice of Completion on this project and the quality of the improvements made during the project have been well received by the community. The KASA team completed the project with the intent to maintain a great business relationship with the City of Monrovia. City staff appreciate the willingness to complete the project in a diligent and professional manner which resulted in a completed project that the community is thankful for.

I would like to thank and congratulate you and your team on the project completion of the Lucinda Garcia Park Improvement Project. I would recommend KASA Construction Inc., to future agencies or owners based on the quality of work.

Letter of Recommendation

Dear Mr. Kasbar,

On behalf of Lennar Homes, I would like to thank you and your Team at KASA Construction for your continued partnership in yet another project successfully completed.

This project consisted of simultaneously constructing 3 new Parks in the Shadow Rock community at a cost of nearly \$7,000,000. The project included but was not limited to grading, earthwork, storm drains, 2 lighted baseball fields, basketball court, 2 large playgrounds with rubber and mulch, a dog park, pre-fabricated restroom building, parking lot walking trails, fencing, several other park furnishings with new irrigation systems and beautiful landscaping.

Your Team worked closely with my staff, consultants, JARPD and the City of Jurupa Valley to assist in value-engineering to bring this project to fruition for this wonderful community.

KASA's staff was responsive, honest, and diligent in completing the project on time with quality workmanship.

It was a pleasure working with you and your Team and I look forward to more projects in the future. I would not hesitate to recommend KASA Construction Inc. to any other Owner or Agency.

Project: Environmental Enhancement & Mitigation Project

Dear Mr. Kasbar,

On behalf of the City of Norwalk, I would like to thank you and your team at KASA Construction Inc., for great work completed on the Environmental Enhancement & Mitigation Program project. This project encompassed the rehabilitation of seven sections of center medians, including installation of drip irrigation systems and drought tolerant plant materials along Firestone Boulevard, Imperial Highway, and Rosecrans Avenue. Due to the project being funded through a grant from the State of California Natural Resources Agency, the City was on a very limited timeline for completion and your team did an excellent job of completing all work prior to our deadline.

City staff were impressed with the work of KASA, as well as appreciative of good communication throughout the duration of the project. All project expectations were met or exceeded and any issues that arose were quickly addressed.

I appreciate your efforts and would not hesitate to recommend KASA Construction, Inc. to other agencies. The City of Norwalk looks forward to working with KASA again in the future.

Riverbend Community Park, Jurupa Valley, CA

To Whom It May Concern:

On behalf of the Lennar Homes, we would like to cordially thank KASA Construction Inc for their exemplary efforts in completing the Riverbend Community Park Project for the best interests of the Jurupa Area Recreation (JARPD) and Park District and Lennar Homes.

This nearly \$4.8 million, 12-acre park project consisted of, but not limited to, grading, underground wet and dry utilities, landscaping, irrigation, electrical, decomposed granite paths, pedestrian and horse trails, parking lots, masonry walls, fencing and pedestrian bridges. Additionally, the project site also included shade shelters, playground equipment, rubber surfacing, disc golf, decorative concrete, walkway and parking lot lights, basketball courts, a complete athletic field, and a prefabricated restroom building by The Public Restroom Company.

From the start, KASA took on a very proactive approach, paying close attention to the specifics of construction and completing the required work efficiently and within the completion schedule. KASA's adaptability and coordination with Lennar and JARPD contributed to bringing this project to a successful completion. Construction issues were quickly solved by KASA's attentive team. We could not be more satisfied with the work completed by KASA.

The experience and professionalism guided by Kasa's founder, Sam Kasbar, was impressive. It has been a sincere pleasure working with Mr. Kasbar and his team and we would not hesitate to recommend their services to anyone seeking a proficient, determined contractor that upholds the highest possible standards and executes in a timely and organized fashion.

To Whom It May Concern:

On behalf of K Hovnanian Homes, we would like to thank KASA Construction for their efforts in completing the Sierra Crest Park Improvements Project.

The project consisted of a Public City Park with a CXT Prefabricated Restroom Building, Playground Equipment, Rubber Surfacing, Basketball Court, Picnic areas with Benches, Tables, and Barbeques, green space, as well as Dog Park.

KASA completed this project in a conscientious manner, maintaining the highest level of professionalism and keeping the client's best interests in mind. Throughout the duration of the project, KASA cooperated accordingly with K. Hovnanian and the City to overcome many obstacles faced during construction. Although, there were some trying times and design issues, KASA always maintained professionalism, and worked diligently with K. Hovnanian to achieve the most feasible solution for all. Without a doubt, KASA fulfilled their duties as a General Contractor to the satisfactions of all parties. They also always honor any warranty request and stand behind their installation, which is a true testament for a quality general contractor.

It has been a sincere pleasure working with Sam Kasbar and his team. We would not hesitate to refer them to any organization seeking a diligent, professional general contractor that upholds the highest possible standards and executes exemplary work.

**RE: CONSTRUCTION OF JOE SAMPSON PARK
CITY OF RIALTO, CALIFORNIA**

Dear Sam:

I wanted to reach out and thank KASA Construction on the outstanding execution of the construction of Joe Sampson Park for the City of Rialto, a new 8 acre with a construction cost of \$5,323,557. This project was completed well within the rigorous timeline set forth by the City of Rialto.

KASA Construction has brought numerous park projects designed by our firm to life over the past several years. We are consistently pleased with the high level of craftsmanship and professionalism demonstrated by your company. Joe Sampson Park was no exception. Your team was diligent in all communication efforts, attention to detail, and in providing quick, cost effective solutions to unforeseen conditions as they arose.

We would be pleased to provide recommendations and positive references about KASA Construction to public agencies and developers for upcoming park, landscape, and similar projects.

Sincerely,

Freeway Frontage Landscaping Project
Contract Value: \$512,251.57

To Whom It May Concern:

We, the City of Westlake Village, would like to praise KASA Construction, Inc. for their outstanding work on the Freeway Frontage Landscaping Project in the City of Westlake Village off of the 101 Freeway and Lindero Canyon Road. The scope of work for this project included installing new irrigation and landscaping along the freeway onramp at Lindero Canyon Road. All work was completed in an efficient and timely manner.

KASA completed this project with diligence, maintaining the highest level of professionalism and attention to detail. The project management team consistently kept the City's best interest in mind and cooperated transparently with the City to overcome any challenges which were faced during construction. KASA's team was easy to work with and made certain that best practices for safety, security and cleanliness were enforced and adhered to at all times. KASA's professional managerial skills, alongside their unyielding "get it done" attitude and approach in the administration and implementation of construction truly made the difference in the successful and timely completion.

We would absolutely not hesitate to refer KASA's excellent services to others. We look forward to completing more projects alongside the KASA Construction team in the future.

Sincerely,

Project: Los Serranos Neighborhood Park
Owner: City of Chino Hills
Subject: Letter of Recommendation

Dear Mr. Kasbar,

On behalf of the City of Chino Hills, I would like to thank you and your team at KASA Construction Inc., for your noteworthy efforts in completing the Los Serranos Neighborhood Park.

The project consisted of a nearly 4 million dollar budget, including a 6-acre park with landscape grading, drainage, irrigation, landscaping, site furnishings, sports courts, restrooms, picnic shelters, lighting, playground and fitness equipment, hardscape, and other amenities.

In September of 2018, KASA commenced their work and through the duration of the project, KASA maintained the highest level of safety and quality, paying close attention to the specifics of construction and completing the required work within the necessary time frames. If issues ever arose, solutions were always implemented immediately. KASA's incredible adaptability, diligence and close-out for the City's final acceptance and completion, allowed for a successful Grand Opening of the park on November 16, 2019. I have attached our Grand Opening flyer. KASA's admirable coordination with City Staff, while upholding the utmost respect, professionalism, integrity and diligence, resulted in a favorable project acceptance.

In addition, I would like to also thank KASA's generous contributions of tools, material, and a tool shed which was donated to the adjacent Chaparral Elementary School for their after-school garden club.

I'd like to extend my sincere appreciation to you and your devoted team on a job well done and congratulate you on an outstanding project. It was an honor to introduce the 44th park to the City of Chino Hills. I would not hesitate to recommend KASA Construction Inc., to any other owner or agency.

Sincerely,

Restroom Improvements Project
Project No. PCS HSG GR – JFK RENO

To whom it may concern:

It has been a pleasant experience working with Sam Kasbar and his staff with KASA Construction on the JFK Park project. This project included a prefabricated restroom, plumbing, electrical, sewer, picnic shelter, irrigation, turf installation, shrub installation, colored concrete walkways, and site amenities. The final project turned out absolutely beautiful.

KASA was proactive throughout the project, notifying me of problem areas of plan elevations to material delays. KASA took these issues in stride and worked on other projects while waiting for plan revisions and materials. KASA kept a clean and safe work site. What was really commendable was that KASA still made the project schedule. It would be a pleasure to work with Sam and KASA Construction again.

Sincerely,

To Whom It May Concern:

The City of Westminster would like to thank KASA Construction for their commendable performance in completing the Hoover Street and Bike Trail Improvements project. The scope of work consisted of removing and replacing an existing AC pavement trail, damaged curb, gutter, and sidewalk and installing new concrete walking trail, curb ramps, a two-wire controller/irrigation system, landscaping, lighted bollards, stabilized DG, decorative fencing, decorative boulders, striping and pavement markings.

KASA Construction's field and management staff executed the work professionally and with diligence while upholding the highest work standards with emphasis on on-time deliverables, presentation and quality of the finished product. A safe work environment was provided for both KASA's crew and the public at all times; the site was kept clean both during the working hours and at the end of each day to the City's satisfaction.

KASA Construction was awarded a contract for the construction of the dog park project in the City of South Pasadena, which was completed in Fall 2016. Their dedication to the project was a major factor in the project being completed in a successful and timely manner. Through this process, their staff was cooperative, flexible, and diligently worked with city staff. The project was constructed in a professional and workmanlike manner. Documentation and communication were timely and professional, and they were receptive to our requests.

KASA Construction is highly recommended, as their staff would be an excellent asset to any city or agency. Feel free to contact me at Spautsch@southpasadenaca.gov or (626) 403-7362 if you need additional information.

To Whom It May Concern:

It is my privilege to offer this letter of recommendation on behalf of the City of Orange to KASA Construction for their superb work at our landscape renovation at Grijalva Park.

KASA Construction completed the work in a timely fashion, showing up on the job each day until it was complete. KASA Construction displayed a professional attitude and work ethic from their management, superintendent, foreman to laborer staffing. Customer service and satisfaction was reflected throughout this project... I would not hesitate in providing a positive referral and I hope that the City of Orange has the good fortune to work alongside them in the future,

RE: Letter of Recommendation for KASA Construction

To Whom It May Concern:

In September of 2014, KASA Construction was selected and began construction of certain CFD improvements in our Park Place master planned community in Ontario, CA (a joint venture project by Lewis Community Developers and Stratham Communities). Park Place showcases homes by industry leading homebuilders, KB Home, TRI Pointe Homes, Ryland Homes and Woodside Homes. The CFD improvements completed by KASA Construction included Celebration Park (a 6 acre public park) and Merrill Avenue landscape improvements with total costs in excess of \$5,000,000. KASA Construction was aggressive in their bidding for Celebration Park and were approximately 14% lower than the second place bid.

The Park Place Grand Opening took place on November 8, 2014 and over 4,000 people attended the opening celebration which included the viewing of 18 beautifully appointed model homes and a tour of the Parkhouse (a spectacular 14,500SF recreation center). The Grand Opening also included live entertainment and food service in Celebration Park. The date of the Grand Opening; however, was not confirmed until after KASA Construction had commenced its work. KASA Construction rose to the challenge and completed over \$5,000,000 of construction in half the time granted by our agreement. A significant portion of the work had to be completed within a mere 20 working days from commencement of construction. Six months of construction were accelerated and successfully completed within a total of 60 working days – all while coordinating construction activities with various contractors of other trades concurrently performing work within Park Place.

KASA's exemplary performance exceeded our expectations. It is with great pleasure that we have been afforded the opportunity to collaborate with KASA's experienced, dedicated and driven staff. KASA's professional managerial skills, from the top down, alongside their relentless "get the job done" attitude and approach in the administration and implementation of construction truly made the difference in the successful and accelerated completion of Celebration Park which allowed us to meet our November 8th Grand Opening date.

I look forward to working with the KASA Construction team on many more projects in the future.

Sincerely,

Randall Lewis
Executive Vice President
