

Student Advisory Board Newsletter

Folsom Cordova Unified School District

By Rhea Khatra

"Suffrage is the pivotal right."
- Susan B. Anthony

Susan B. Anthony was a famous activist who advocated for women's right to vote, commonly known as suffrage.

FCUSD is celebrating National Women's History Month this month. The Student Advisory Board strives to commemorate these women by promoting civic engagement and allowing students to voice their opinions.

Dates to Remember

April 3 - Videos for International Night Performances due

March 23-31 - Spring Break - No School

April 30 - International Night

What's been happening at SAB?

International Night Preparations

We have already started our preparations for International Night. During our last meeting on March 6, we designated important roles to SAB members for each component of International Night. We also discussed a little bit more on the essence of International Night, and we were encouraged to spread the message wherever possible to students to get people to know about this wonderful night to celebrate our diverse cultures and have fun in the process!

Calmness and Organizing

We also listened to an enlightening presentation about organizing your feelings and learned about the iceberg technique, which involves organizing categories. This technique can come in handy in multiple instances. For instance, we practiced organizing a pool party using this method.

District-wide International Night

FCUSD's second district-wide International Night is planned to take place in Cordova High School's parking lot and Performing Arts Center on Tuesday, April 30, from 6 to 8 PM. It will be a great night rich in cultural diversity, food trucks, cultural performances, district-wide clubs, affinity groups, and much more.

There will also be volunteering opportunities for students who want to help out and earn some community service hours.

INTERNATIONAL NIGHT
