

Higher Learning Education Opportunities

Students can enroll in courses articulated with Minnesota universities and technical colleges through their high school classes to obtain a head start on their continuing education.

Opportunities available include:

German	10 credits	University of Minnesota
Spanish	8 credits	St. Cloud State University
Social Studies	12 credits	University of Minnesota and St. Cloud State University
English	11 credits	University of Minnesota
Science	4 credits	St. Cloud State University
Math	11 credits	Southwest Minnesota State University
Agriculture	9 credits	University of Minnesota and Ridgewater College
Band and Choir 2	2 credits	Central Lakes Community College
Nursing Assistant	3 credits	St. Cloud Community and Technical College
Manufacturing	8 credits	St. Cloud Community and Technical College

Upon the completion of these concurrent enrollment classes, students can graduate from college in 3-3.5 years – saving time and money on their education.
