#### ALMA MATER

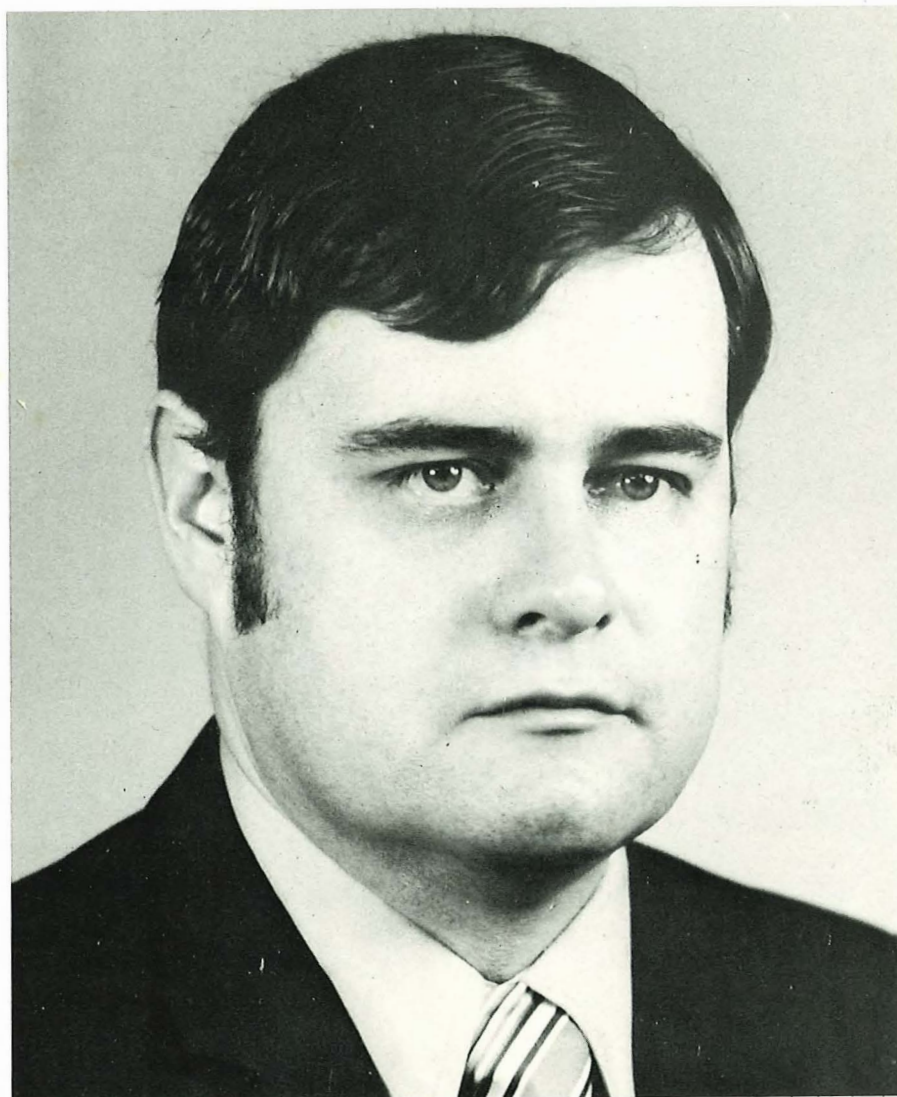

Hail, Hail to thee, Our Alma Mater dear,  
With praise and love, your honor we revere,  
And when the day, our life pathways shall part  
Still, still by thee, united one in heart.

With lofty voice, we sing along the way,  
Dear Alma Mater, prosper day by day.  
Waving on high, your colors red and blue,  
Our grateful hearts to you will e'er be true.

## DEDICATION

The class of 1972, with deepest respect, dedicates this yearbook to two people who have so long been a part of Riverside High School - MRS. LOIS R. SAMSON and MR. PATRICK C. RIVIELLO.

The late Mrs. Samson taught mathematics at the Riverside High School from 1928 to 1972. Her honesty and humor combined with a sense of fair play made her a legend in her own time. Mrs. Samson's heart failed on the morning of her retirement, but not when her mathematical ability and kindness were so desperately needed. She has earned her rest.

Mr. Patrick Riviello, retiring principal, has had a successful career in the educational field. He was teacher and principal at Moosic High School and curriculum coordinator and principal at Riverside. He discharged his duties with verve and dispatch. We are proud to have him as an honorary member of the Class of '72. He has graduated with us to begin a new life.

We wish him many golden leisurely years.

THE UNIVERSITY OF CALIFORNIA, 1972

On May 30, at half past eight,  
the buses left, three hours late.  
Gettysburg was our very first stop,  
and then on to Arlington. Boy, was it  
hot!

The Hotel Annapolis was then our  
destination; for groups like ours it  
provided accommodation.

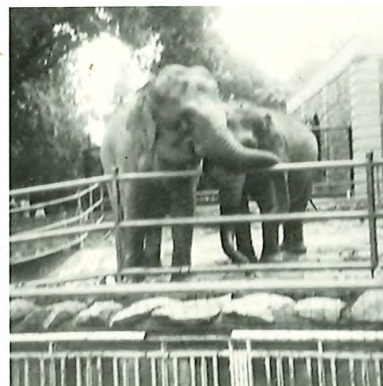

A quick evening meal and back on  
the bus to begin a night that will  
be remembered by us: the Wax Museum,  
the Archives, and more and the return  
to the sixth and seventh floors.

\$2.50 will be a reminder:  
if there's a chaperone, everybody  
should mind her.

Up at six to get ready again  
to see famous churches, and the pandas,  
and then on to the Capitol, where a  
man would take a group picture for  
a personal keepsake.

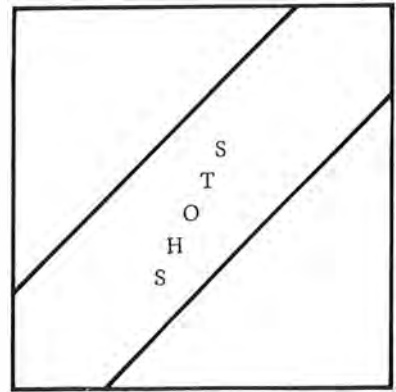

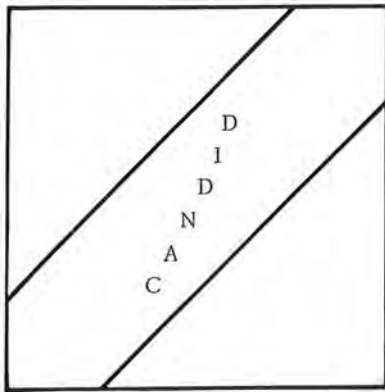

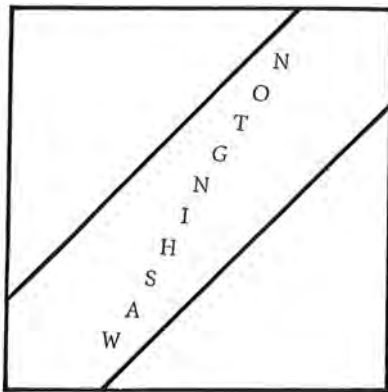

A rainy boat ride to Marshall Hall  
ended the day enjoyed by us all.  
Mount Vernon, the White House, and  
the Smithsonian were last; the days  
of our Washington trip had passed.  
Of our nation's Capitol, we had become  
a part with happy memories to remain  
in our heart.
