Carefully gathered within these pages are our treasured memories of classmates, teachers, activities, and all that has been a part of our active school days. We have tried to provide you with a deeper understanding of the true character of Riverside High School and of the people with whom this book is concerned.

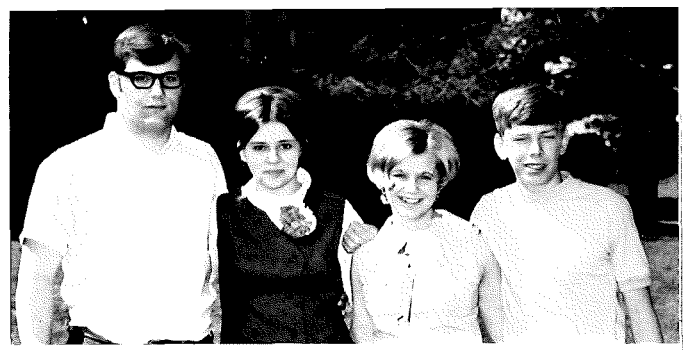

"One Step at a Time, but Always Forward," has been our motto; and surely, that is the way we have compiled the "Viking." To future graduates, may it present a challenge to do your best work - never to abandon your search for knowledge and truth.

Now we present to you the 1969 "Viking"; may it always bring you the fondest of memories.
