Foreword

As "The Viking" departs on its maiden voyage, we, the Editors, sincerely hope that you will find pleasure in recalling the memories of our cherished high school days.

We wish to express our thanks to all those who have aided us in attaining our goal. Their support and guidance was immeasurable. Now we present to you

"THE VIKING"

Pride of the Class of

'63

We are the proud participants in an Adventure at T-M. Through the hard work of the faculty and the co-operation of the student body, we have succeeded in completing our first yearbook. We hope that the classes of the future will take up where we have left off and make the "Viking" a part of your high school days.

Dedication

MR. JOHN B. WEIR

The senior class of 1963 of the Taylor-Moosic High School is honored to dedicate the first yearbook of our Joint High School to the former administrators of Taylor and Moosic Schools.

Mr. Powell and Mr. Weir will be long remembered for their many years of faithful service in guiding our schools from one forward step to another. They were steadfast in their belief in the potential worth of the individual in a

democracy. They helped transmit cultural heritage of yesterday to the student of today. They are strong links in the great chain of progress. They as teachers dispelled ignorance with the shaft of light in order to liberate Youth from the darkness from the unknown and into the exhilarating freedom that knowledge brings to all mankind.

Alma Mater

Hail, hail to thee, Our Alma Mater dear,
With praise and love, your honor we revere.
And when the day, our life pathways shall part
Still, still by thee, united one in heart.

With lofty voice, we sing along the way,
Dear Alma Mater, prosper day by day.
Waving on high, your colors red and blue -
Our grateful hearts to you will e'er be true.

Supervising Principal

MR. MELVILLE DAVIS

The publication of this yearbook is a worthwhile, notable accomplishment and a significant step forward in the life of our new school system. This first issue breaks the barrier of the unknown and the untried and thus leads the way for successive numbers.

It will no doubt, in years to come, serve to revive memories of your school days and be the occasion for endless reminiscences. It may even be the arbiter of good-natured arguments and discussions about tidbits of experience, the delicacies of daily living that have faded into limbo.

The quality of the book and its contents reflects credit on all those (faculty and students) who have participated in its production. There can be only praise of the highest order for a job well done. A kind of compensation is contained in the satisfaction derived from having been a part of a quality performance.

Principal's Message

Changes and challenges are

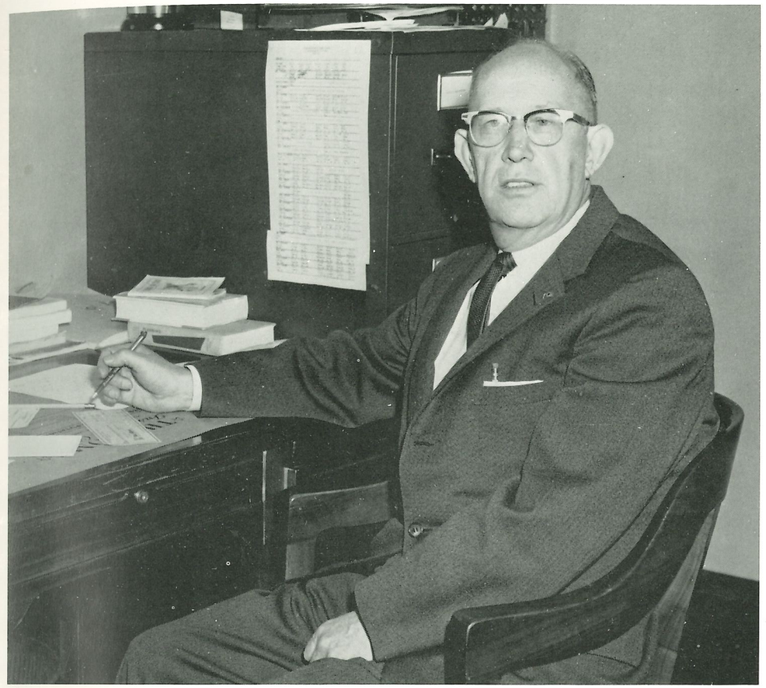

factors in everyone's life.

We hope yours will be happy

and profitable experiences

MERWYN E. HOWELLS, Principal

Vice-Principal

MR. RICHARD J. CARROLL

I want to extend my heartiest congratulations to the editors and staff, together with the Faculty Committee, for this eminently successful venture into the realm of school literature. The splendid caliber of this pioneer edition of the "Viking" can not help but be a challenge of excellence to those in whose hands may be placed the responsibility of producing future editions.

I am extremely proud to be a part of the administration of a school whose students are capable of such superior work.

Director of Curriculum

MR. PATRICK C. RIVIELLO

Mr. Patrick C. Riviello has served as director of curriculum for the first two years of the Taylor-Moosic Jointure. As director of curriculum he has set up subject matter, organized many clubs and helped in the organization of the yearbook. Effective July 1, 1963, he will assume the position of principal of the jointure.

We, the members of the yearbook staff, wish to express our thanks for all that he has done and to wish him much luck in his future position.

Senior Gridiron

The coaching staff, Mr. Connors, Mr. Mekilo, Mr. Helcoski and myself are looking forward to a large, well-deserving group of lettermen who should be ready for bear.

We feel last season was a budding year, plus the fact that our freshmen and sophomores saw plenty of action. We are sure that next year's team will face the coming season with eagerness and a will to win.

Varsity Basketball

Despite the fact that our basketball team won only five games this year, our boys showed fine sportsmanship and teamwork. We will be losing three boys from the team this year; Tom Sheridan, Gene King and Larry Carroll.

Harold Keating, a Junior, was chosen to play in the Basketball Dream Game. Because we are only losing three boys from the squad, Coach Petinatto is looking forward to a better season next year.

STANDING, left to right: Art Imes, Michael Matsko, COACH Joseph Kakareka, Joe Moroschak, Tom Sheridan, and Larry Carroll.

This year, our baseball team left much to be desired. But Coach Kakareka is in the midst of a rebuilding program. He had only three regular players from last year. They were Larry Carroll, Tom Sheridan, and Bud Henn.

The captains this year were Larry and Tom. Most of the team's difficulty seems to stem from the fact that the underclassmen who made the team are still inexperienced in high school baseball.

However, with practice and hard work, the outlook for next year should improve.

Think This Over

The Clock of Life is wound but once
And no man has the power
To tell just when the hands will stop,
At late or early hour.

Now is the only time we own
Love, live, toil with a will,
Do not wait until tomorrow,
For the Clock may then be still.

Compliments of
The great violinist,
DAVE RUBINOFF
