

Financial Report

March 31, 2025

Capacity Building (Input by Administration)

District finances are as expected.

Fund Balances: All Fund Balances are financially stable and healthy.

Revenues: Revenues track low for federal to start the year due to how grants are collected.
Property tax collections are lower than historical due to the county not yet receiving primary residence tax credit money to pass through.

Expenses: Overall expenses are tracking as expected. We do have some line-item expenditures that are over budget. However, the overall Object for these accounts is tracking below budget.
