

SY24-25 Flexibility Requests

Value-Added Flexibility Requests

Waiver	School	Specifics
Instructional Minutes	Promise Career Institute	Request to embed Health and Personal Fitness. The standards for both classes would be taught in a thoughtfully aligned manner. Students would receive 0.5 credits for Health and 0.5 credits of Personal Fitness in a one semester course.
Instructional Minutes	Bethune ES	Request to replace one day of Physical Education with Dance.
Instructional Minutes	Centennial HS	Merge the standards for Teaching as a Profession Practicum and Contemporary Issues in Education into a single course reducing the Teaching as a Profession pathway from three years to two years.
Instructional Minutes	Innovation Academy	Request to embed Introduction to Hardware Technology into Introduction to Cybersecurity to promote completion.

Opt-In Notices of Adoption

Waiver	School	Specifics
Personal Fitness Course Replacement	Promise Career Institute	Students who have successfully completed a pre-approved Physical Education elective or participate in GHSA sports, non-GHSA sports or Marching Band may waiver their Personal Fitness course. This option is intended to provide students more opportunities to participate in academic courses, internships, and extracurricular activities.
Science Course Replacement	Centennial HS	Allows for a broader definition of "physical science" in Fulton County Schools graduation requirements to allow International Baccalaureate science courses to satisfy the IB Diploma-track students' requirements.
