School and Community

NLHSMMC is a four-year public magnet high school that presently serves 852 students in grades 9 through 12. Students are accepted through an open, non-merit-based lottery that currently draws from 15 surrounding towns, including New London. Students take classes in their pathway which include STEM, VPAMP and International Education. Class include, but are not limited to Biomedical Sciences, Engineering, Theater Arts, Music Production, Ballet and Tap, Culinary, and Latinos in Action. In addition, students have access to a comprehensive program of studies offering a wide range of courses in the following departments at New London High School: English, Bilingual/ESL, History, World Language, Business, Family and Consumer Sciences, Art, Music, Physical Education, Health, and the Junior ROTC Program. The student body is culturally diverse with a population that is 61% Hispanic, 18% Black, 9% White, 1% Asian, 1% American Indian, 1% Native American, and 9% that are Multiracial.

New London Public Schools Mission

To educate and graduate students who specialize in one of three themed magnet path-ways: International Education, STEM, and Visual and Performing Arts, who are well versed in the academic knowledge and practical experiences necessary to succeed beyond high school; who are critical thinkers and innovators; who are courageous and self-reliant; and who challenge the status quo while enriching their community, country and global society.
