REVISIONS/CLARIFICATIONS TO THE RFP DOCUMENTS AND SPECIFICATIONS

This notice responds to the questions received by the Mt. Diablo Unified School District regarding the above RFP.

Q #1	Are you looking for proposals from providers for specific components (e.g., Academic Enhancement) or are you looking for an overall provider to coordinate the afterschool program?
A #1	We are looking for proposals to coordinate and provide all services as it applies to our ASES Aligned Expanded Learning Opportunities Program Plan Guide.

Q #2	Will you be considering adding academic homework help and intensive skills building in math and ELA in the form of online on-demand or high-dosage tutoring as a support to your ELOP program?
-------------	--

MT. DIABLO

UNIFIED SCHOOL DISTRICT

A #2	Yes. We currently have academic support in place and are looking to continue and build upon our current programs. We are not looking to add an online tutoring platform.
-------------	--

Q #3	Is the District only looking for Lead Agencies who can supply all the following: academic, enrichment, physical, SEL; and that a Vendor focused on one type of enrichment (i.e. STEM) would not qualify for the RFP?
-------------	--

A #3	We are looking for a well-rounded vendor. This is after school care with educational components.
-------------	--

Q #4	Are bidders expected to provide a holistic set of services for the entire program, or will proposals be considered for individual elements of the expanded learning program?
-------------	--

A #4	We are looking for one vendor to provide all services.
-------------	--

Q #5	Would a separate vendor be selected to manage those elements of the program, or is the expectation that one vendor provides all services under this RFP?
-------------	--

A #5	We are looking for one vendor to provide all services.
-------------	--

Q #6	Can you provide an estimated enrollment per site in your after-school program, and how many of those students are in TK/K?
-------------	--

R #6	Please see Attachment A Proposed Average Daily Attendance attached to Amendment #1 and incorporated into this RFP.
-------------	---

Q #7	How many sites participate in your non-instructional days program, and can you provide estimated enrollment per site, including a breakdown of TK/K?
-------------	--

A #7	The TK/K numbers will fluctuate depending on enrollment, staffing and site capacity. The ratio is 1-:1.
-------------	---

Q #8	Do you need services for 9 hours a day on inter-session/summer days?
A #8	Yes.

Q #9	On Page 24 under #4, the RFP requests general information as called for in the section entitled Instructions to Consultants; however, there does not appear to be such a section in the document. Can you please provide this information?
R #9	Revised paragraph from Page 24, #4: Provide general information as called for in this section, titled <i>General Information About Consultant</i> . For references, submit information regarding three (3) comparable Expanded Learning Program Services that the vendor has completed within the past four (4) years. Provide the contact's name, address, telephone number, and contact person for each reference. <i>This revision is incorporated into RFP 1950.</i>
