Clothing must be worn right side out, be of appropriate size and worn correctly. On themed dress days, students must either dress in the designated theme or be in standard ALA uniform dress code. SPECIAL EVENT(S)/DANCES

Throughout the year, events may occur that warrant special dress up days. Departures from standard school dress code may be approved by administration in these instances. Below, find examples of appropriate dress for these occasions (Please note that these items constitute guidelines and not a comprehensive code. Further instructions and/or restrictions may be given by Administration relevant to the particular event.)

- Dress-up attire for girls consists of a conservative and modest blouse/skirt/pants or dress. All skirts and dresses must be knee length or longer and may not be tight or revealing in any way. Midriffs must be covered, and blouses may not be low-cut. Shrugs or shawls do not change the required design of the dress.
- Dress-up attire for boys consists of long-sleeve, button-up, collared dress-shirt with a conservative tie, and dress slacks with a belt.

Note: Dress-up days are not required. As such, if a student does not have proper attire to "dress-up" no undue burden is placed on them to purchase dress-up compliant attire. Standard ALA dress-code is acceptable. Likewise, dress-up days are a privilege, not a right. If student(s) are not appropriately dressed, they will be denied admittance to the event.
