## Redmond High School Addition

Join us for an informational meeting on **Wednesday, April 30 at 7 p.m.** in the Redmond High School College and Career Center. Learn more about the school addition design, construction schedule and meet members of the project team!

*The Redmond High School Addition is funded by the 2022 Building Excellence Capital Construction Levy.*

### Construction Will Begin This Summer

This project creates space for up to 300 additional students. The Redmond High School addition will include 10 classrooms and support spaces in a new two-story renovation of the administration wing that will open in Fall 2026. Seven portables will be added to the site to house administrative staff, counselors and music for one year.
