February 11<sup>th</sup>, 2021

Moonachie Families & Friends -

This letter is to notify you that:

Robert L. Craig School has **a second** confirmed COVID-19 case.

- Robert L. Craig School will transition to Fully Remote Learning through March 1<sup>st</sup>.
- We will Re-Open for LIVE instruction on Tuesday March 2<sup>nd</sup>.

The Moonachie School District continues to work closely with the Bergen County Department of Health and is following the policies and procedures the district developed in accordance with CDC, State, and Local health guidance to ensure the health and safety of everyone within our community.

**Every parent whose son/daughter has been identified to have been in contact with the person who tested positive, has been notified. If you did not receive a call, your child was not identified as a contact.**

With each and every case, we will follow our district plan. The plan outlines a procedure that we are required to follow (which includes working closely with our local health department). When a confirmed COVID case occurs, we will follow the outlined procedures and we notify specific students and staff individually, who may have come in contact with the individual(s) and follow up in writing. I then send a letter notifying the community of the situation.

While in live instructional scheduling it is imperative that we follow social distancing, mask wearing, and other health procedures in school and outside of our buildings. Otherwise, we will face the same challenges that we faced in October associated with increased confirmed positive cases and difficulty with safely staffing our classrooms and school. Please be safe.

We will continue to keep our school community informed when confirmed COVID cases arise.

Should you have any questions, please contact me directly at [jknipper@moonachieschool.org](mailto:jknipper@moonachieschool.org). Stay safe.

Sincerely,

James Knipper

James Knipper
