

Deer Valley Unified School District Career and Technical Education Internship 2025-2026

The CTE internship is a supervised work experience of a minimum of 5 hours per week (paid or unpaid) in a position within the industry of a CTE student's program of study. This internship provides on-the-job experience and valuable industry networking. Students must provide their own transportation to their worksite.

ADDITIONAL INTERNSHIP SITE REQUIREMENTS MAY BE REQUIRED FOR STUDENT PARTICIPATION. A STUDENT APPLICATION AND TRAVEL FORM IS REQUIRED.

The Internship course is administered through Aspire, Deer Valley's Online Academy **and** takes place on the selected job site.

LENGTH: Year GRADE: 12 (minimum 16 years of age)
CREDIT: 1 PREREQUISITE: CTE Program Year 2 (Concurrently or previously taken)

Procedure for securing an internship:

1	Student establishes connection and receives commitment from an internship site.	To be completed by: Wednesday, May 21st 2025 or earlier
2	CTE program teacher and internship coordinator assist student in identification of an internship site.	To be completed by: Friday, August 8, 2025
3	Student sets up a school-based internship (with job description, responsibilities, and schedule).	To be completed by: Friday, August 15, 2025

All CTE internship students need to complete the following attached form by Wednesday, May 21, 2025 **or earlier** to indicate if the student has secured an internship placement or needs assistance. This form must be returned to their Internship coordinator on their high school campus.

The internship "Training Agreement" and "Training Plan" are due from all CTE internship students by Friday, August 22, 2025.

If an internship is not secured, the student will need to drop the CTE Internship course by contacting the counseling department of the student's home campus by the Aspire, Deer Valley's Online Academy drop date (date will be published in August 2025) to not have a grade posted on the student's transcript.
